**Dear Parents** 

## Parents' Evening: Monday the 25th and Tuesday, the 26th of January

We are due our spring term parents evening next Monday and Tuesday and we look forward to meeting you via Zoom. We appreciate that it is going to be quite different with a lot of the work having been carried out remotely.

The Zoom link for each class will be shared soon if it has not been already. Just like last time, please join a few minutes before your appointment time where you will join the waiting room. The teacher will admit you at the right time. It would be really helpful if:

- When you join the waiting room change your displayed name with your child's name.
- You as parents are the only ones in the meeting. A line of family members on a couch is not the idea. If the teacher thinks it would be useful for the child to join for part of the meeting, they will request that.
- You'll be conscious of the time so the key points can be discussed and all runs smoothly.

The timely report will be sent out over the next few days. Again, please appreciate the content in some boxes will be limited, including the attendance which is currently not appropriate.

Thank you very much for your understanding.
