

Focus on... Geography

#126

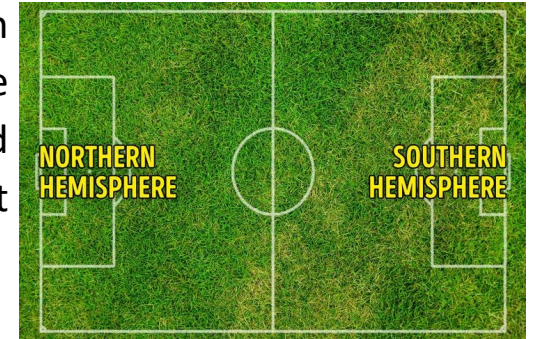

On this day...

in 1966, the Soviet Luna 9 completed the first soft landing on the Moon.

Did you know...

The stadium Estadio Milton Correa in Brazil is located right on the Equator, so that both teams who are playing defend 2 different hemispheres.

Go explore...

One in five children around the world do not have access to school. This can be due to their location. Which Rights Respecting School article does this go against and why does their location affect their education?

Picture this...

The world's highest mountain - what is it called and where is it?
