

Focus on... Design

#160

On this day...

in 1933, the first flight over Mount Everest took place by Lord Clydesdale in a Westland PV-3 biplane.

Did you know...

Cotton lasts for about 100 years. If you look after it, it could be even longer. Cotton fabric has been found in many archaeological sites.

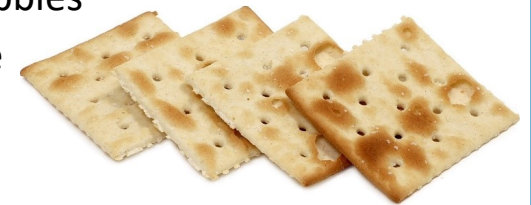

How many houses can one flash of lightning power?

Picture this...

Crackers have holes in them for a reason. During the baking process the holes prevent air bubbles from ruining the product.
