

# Focus on... Enterprise

#180

On this day...

in 1913, the first four-engined aircraft was built and flown by Igor Sikorsky in Russia.

Did you know...

The most productive working day of the week is apparently...

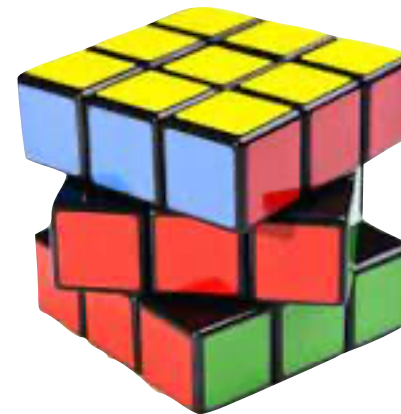

Go Explore...

A well known company was originally called BackRub. Do you know which?

Picture this...

The best selling product of all time is the Rubik's Cube.
