# Focus on… Computing

#228

On this day…

Google has at times chosen the date of September 27th as their birthday, even though it is more officially September 4th or 7th.

Did you know…

English has used the word "compute" for centuries. In 1660, Samuel Pepys wrote of a morning "computing the 30 ships' pay… and it comes to £6,538. I wish we had the money!"
