

## Focus on... Design and Technology

#229

On this day...

In 1924, two U.S. Army planes landed in Seattle, Washington, completing the first round-the-world flight in 175 days.

Did you know...

Dating all the way back to the 17th Century, Mahogany was used extensively in Great Britain. It is a fine wood, solid, glues perfectly and is aesthetically appealing. However, there is a scarcity of this wood all over the world.

Go explore...

What were beds made from before 3600 B.C.?

Picture this...

Acrylic is a man-made fibre that has a soft, wool-like hand, is machine washable and has excellent colour retention. It is often an additive to textiles to take advantage of these properties.
