

Focus on... Art

#235

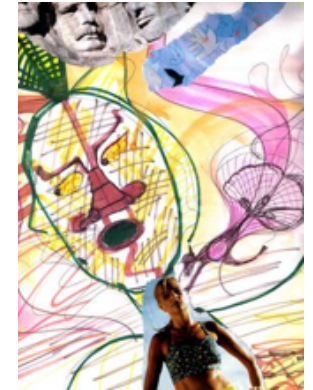

On this day...

In 1995 51 Pegasi, formally known as Helvetios was discovered as the first major star, apart from the Sun, to have a planet orbiting around it.

Did you know...

Art is an expression—an expression of feeling, belief, and character.

Go explore...

Who was Chesley Bonestell, and why was he famous?

Picture this...

Think about how you're feeling today. Try and express your feelings and thoughts through art, this can be done by drawing, painting, or even sculpting.
