

Focus on... Design and Technology

#262

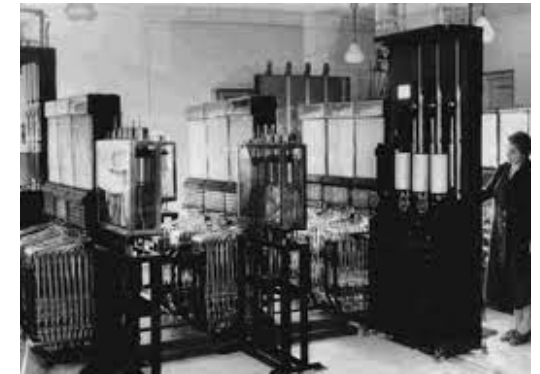

On this day...

In 1971, the Golden Gate, which is a bridge in San Francisco, lighted out all night due to a power failure.

Did you know...

Da Vladimir Sergeevich Lukyanov built the world's first computer in 1936. The amazing fact is that the machine was driven by water!

Go explore...

How long has the fleece of sheep been used to make human clothing?

Picture this...

Pistachios are actually fruits. They are actually the seeds of a fruit (the outer fruit is removed during processing).
