Dear Parents

## Year 5 Residential - Letter 2

Thank you to all that managed to make the Zoom meeting yesterday about this year's residential visit for the Year 5 children - those that were unable to make it, please visit the page on the school website where all of the information can be found.

The bedroom preference form is now ready for completing on the website. Please do complete it with your child. As explained in the meeting, there will be very little time in the rooms as the children will be very busy during the week.

The medical/contact form also needs to be completed before we depart. The sooner this form is completed, the sooner we can make any required arrangements for particular needs.

On Tuesday, 29 March 2022 at 17:00 we will hold the final meeting where we can share any final pieces of information and answer any outstanding questions you may have. For those not yet following the school on Twitter, please do. During the trip we will be using Twitter to share the events of the week, where the signal allows. The school Twitter account is KrishnaAvantiPS - we will, for those new to Twitter, explain how to join - just ask.

Should you have any questions, regardless of how trivial you may think they are, please come to see me or a member of the team - or ask via the queries form on the Year 5 Residential page of the website.

The link for all information and forms is: <http://avanti.org.uk/kapsleicester/y5residentialpglcaythorpe/>.

Thank you for your continued help and support.

Yours sincerely

Mr Kite  
Principal
