

Focus on... Design Technology

#270

On this day in...

in 1893, Thomas A. Edison finished building the first motion picture studio, the Black Maria. The name Black Maria came from a slang term for police wagons, also known as paddywagons, which were similarly cramped, uncomfortable, and dark.

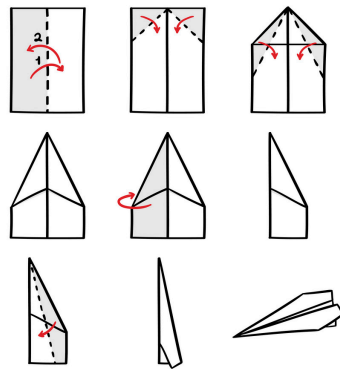

Did you know...

Design and technology gives young people the skills and abilities to engage positively with the designed and made world and to harness the benefits of technology.

Go explore...

Can you make a paper aeroplane? Explore making one with different sizes of paper and changing the size of the wings? Which ones fly better?

Picture this...

Escher designs - can you design a tessellating image of your own?
