

Focus on... PSHE

#284

On this day...

in 2011 a 9.0 magnitude earthquake struck 80 miles east of Sendai, Japan, triggering a tsunami killing thousands of people and causing the second worst nuclear accident in history at Fukushima nuclear plant.

Did you know...

PSHE aims to provide the knowledge and skills to keep you happy, healthy and safe, as well as to prepare you for life and work. Never forget, every member of staff at Krishna Avanti Primary School is here for you, whenever you need us.

Go explore...

“Mental health affects how we think, feel, and act. It also helps determine how we handle stress, relate to others, and make choices.

Mental health is important at every stage of life, from childhood and adolescence through adulthood.”
