#301

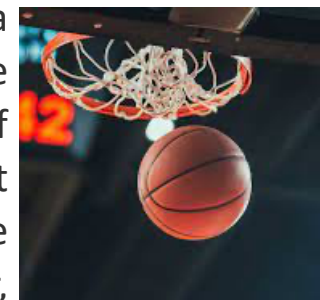

On this day...

in 1932, Australian cyclist Hubert Opperman sets paced world records 1,384km in 24 hours, and 1,609km (1,000 miles) in 28 hours, 55 minutes, 39 seconds at Melbourne Motordrome.

Did you know...

The diameter of a basketball hoop was once almost double the size of a basketball, meaning that two balls could fit in the net side by side! However, this was changed in 2015 and the hoop is now much smaller.

Go explore...

Manchester City won the Premier League yesterday. How many teams have won the top flight league and how many times?
