

Focus on... Computing

#304

On this day...

in 1850, Karl Ferdinand Braun was born. A German inventor, physicist and Nobel laureate in physics, he helped develop radio and television.

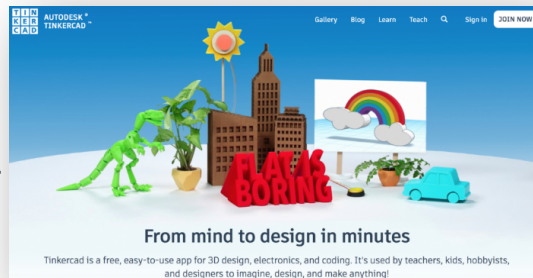

Did you know...

You blink up to 20 times a minute. Surprisingly, you only blink 7 times a minute when you are using a computer - it must be all the concentration.

Go explore...

Do you enjoy coding and being creative? Explore Tinkercad and have a go at computer design.

Picture this...

About 90% of the World's currency only exists on Computers. This means only about 10% of the global currency is actually cash.
