

Focus on... Art

#307

On this day...

On the 15th June in 1911, Kattingeri Krishna Hebbar, popularly known as K. K. Hebbar was born. Hebbar was a celebrated artist known for his India themed artworks.

Did you know...

Kerala murals, one of the world's finest art frescos, is still done with eco-friendly vegetable colours as it was done 3500 years ago.

Go explore...

What is Kalamkari art?

Go explore...

Geometry is a type of mathematics that is about shapes. For this drawing you don't have to draw any particular shape but you could try drawing lots of different ones, or layering many of the same shape. You could do a whole drawing of triangles, or squares. Can you try and make different types of triangles?
