

Focus on... Computing

#311

On this day...

in 1927, Bushnell and Dabney founded Atari, the world's first commercially available video game. Their first creation was the now-classic game, Pong.

Did you know...

The first Apple computer ever made by Steve Jobs and Steve Wozniak was made from old parts they collected for free from their staff.

Go explore...

Today we celebrate a festival of joy and devotion, the Car Festival of Lord Jagannath, Rath Yatra. To learn more about the festival and its story, [Click here](#) to read.

Picture this...

You may heat a room with Gaming PC more effectively than with a heater.
