## **Introductory Statement**

**Avanti Brook Primary School** (“the School”) is part of the Avanti Schools Trust. More information about the School can be found by visiting the website: [www.avanti.org.uk/avantibrook](http://www.avanti.org.uk/avantibrook).

The Trust Board of Avanti Schools Trust (“the Trust”) is the “admission authority” for all schools within the trust, and is responsible for determining and implementing the admission arrangements for those schools.

## **Published Admission Number (“PAN”)**

The School has a PAN of 30 for entry in year Reception for 2025.

Where fewer applications than the PAN, or an amount equal to the PAN, for the relevant year group are received, the Trust will offer places at the School to all those who have applied.

## **Application Process for Admission in the Normal Admission Round (i.e. to Reception)**

Applications for admission in the normal admission round must be made to the parents’ home Local Authority on the Common Application Form (“CAF”).

The CAF for Hertfordshire can be found on the county council’s website - [In year admissions – change school during the year | Hertfordshire County Council](#)

Applications must be submitted by the closing date, which is 15th January 2025.

Parents will be notified of the outcome of applications on “national offer day” which is on 16th April 2025 (or the next working day).

Following the offer of a place at the School, parents can be asked to provide proof of their child’s birth date.

## **Oversubscription criteria**

When the School is oversubscribed, available places will be allocated to children in the following order of priority:

1. Looked after children, previously looked after children and children who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children with a sibling attending the School at the time of application. Details of the sibling(s) must be included in the application form. Failure to do so will result in the child being placed into the next category that applies.

3. Children whose home address is within the catchment area set out in the map at the end of this policy.
4. Children of a member of School staff who have been recruited to fill a skill-shortage.
5. Other children on the basis of distance, with those whose home address is closest to the School as described below given priority.

### **Order of Allocation**

Where more than one child falls into one of the oversubscription categories, the order in which places will be allocated will be by reference to the distance that the child lives from the School, with those living closest to the School receiving highest priority. Home to School distance will be measured in a straight line using a computerised mapping system to decimal places. The measurement is taken from the *AddressBase Premium* address point of your child's home address to the address point of the School. AddressBase Premium data is a nationally recognized method of identifying the location of schools and individual residences.

If the family does not have a permanent address and reside in atypical accommodation such as a van on the public highway or boat without permanent mooring, the Local Authority will be consulted.

### **Tie-break**

Should there be more than one applicant living an identical distance from the School, the local authority's random allocation facility within the Synergy "Admissions and Transfers System" pupil database will be used as a tie-breaker to determine the order in which places are allocated. Random allocation will be supervised by someone independent of the School and a fresh round of random allocation will be used each time a child is to be offered a place from the waiting list.

Random allocation will not be applied to multiple birth siblings (twins, triplets, etc) from the same family tied for the final place. We will admit them all, as permitted by the infant class size rules and exceed our PAN.

### **Late applications**

Applications received by the Local Authority after the closing date will be late applications, and will not be considered until after applications which were received on time. This means that the chance of achieving a place will be reduced. The names of those children who do not achieve a place will be placed on the waiting list (see below).

### **Admission of Children Below Compulsory School Age and Deferred Entry to Reception**

Children are entitled to a full-time place in school in the September following their fourth birthday. Children do not, however, reach compulsory school age until one of three

prescribed days following their fifth birthday (or on their fifth birthday, if it falls on a prescribed day). These prescribed days are 31 December, 31 March and 31 August.

Parents whose child is offered a place in Reception Year have a right to defer the date their child will start school until later in the school year. Places cannot be deferred beyond the date that the child would reach compulsory school age and not beyond the beginning of the final term of the school year for which the offer was made.

### **Part-Time Attendance in Reception**

Parents have a right to decide that their child will attend school part-time until they reach compulsory school age.

For example, a child born on 15 February will not reach compulsory school age until 31 March following their fifth birthday, but is entitled to a full-time place in Reception Year from the preceding September. The child's parents can decide that their child will not start school until 1 January and will attend part-time until 31 March. From 1 April the child will attend full-time. Parents who exercise their right to send their children to school on a part time basis must agree this in writing with the School.

### **Admission of children outside their normal age group and Delayed Entry**

Parents may request that their child is admitted outside their normal age group. The procedure for asking for admission of a child to a year group other than the child's normal year group is:

1. Parents send a letter to the School explaining that they are requesting that their child be admitted outside their normal age group, giving details of all relevant circumstances and attaching any relevant supporting evidence.
2. The Trust will consider the request and make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the parent's views, the Principal's view, information about the child's academic, social and emotional development, the child's medical history and the view of their medical professionals (where relevant), whether the child has previously been educated outside their normal age group, and whether they would have naturally fallen into a lower age group if they had not been born prematurely. The Trust may delegate this decision as it considers appropriate.
3. The Trust's decision will be communicated to the parents in writing by the School.
4. If the request is refused parents may submit a complaint under the Trust's Complaints Policy.

When such a request is made, the trust will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the headteacher and any supporting evidence provided by the parent.

## **Continuing interest (Waiting lists)**

On behalf of the Trust, the School administers a continuing interest list (waiting list) for each year group for the duration of the school year. For applications to Reception made during the normal admissions round, all children who were unsuccessful in securing a place will automatically be placed on the waiting list. For unsuccessful applications made outside the normal admissions round, it will be open to parents to ask for their child's name to be placed on the waiting list.

A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria, and not by reference to the date that the application for admission was made. This means that a child's place on the waiting list may go down as well as up, as more applications are received from children with higher priority.

At the end of each academic year students will be automatically removed from the list. To retain a place on the waiting list parents must make a new In Year application. More information is available at [In year admissions – change school during the year | Hertfordshire County Council](#)

## **In Year Admissions**

The In Year process will be co-ordinated by Hertfordshire County Council on behalf of the School. Parents must fill in the home Local Authority In Year Form when applying for an In Year place. Hertfordshire parents should complete the online application form available at [www.hertfordshire.gov.uk/inyear](http://www.hertfordshire.gov.uk/inyear). Places will be offered only if spaces are available and the over-subscription rules will be applied. The county council will write to you with the outcome of your application and, if you have been unsuccessful, will include registration details to enable you to login and appeal online at: [www.hertfordshire.gov.uk/schoolappeals](http://www.hertfordshire.gov.uk/schoolappeals)

## **Fair Access Protocol**

The School participates in the Fair Access Protocol and will admit children under this protocol even where the School is full.

## **Appeals**

Parents have a statutory right of appeal to an independent appeal panel in the event of a refusal of a place either in the normal admission round or in-year. Appeals are dealt with strictly in accordance with the School Admission Appeals Code.

Information on the appeal timetable (including the deadline for requesting an appeal) will be published on the school's website ([Admissions – Avanti Brook](#)) on or before 28 February after the closing date for applications for that year. Information will also be included in the letter sent to parents notifying them of a refusal. The appeal process can be found on the following: <https://www.hertfordshire.gov.uk/media-library/documents/schools-and-education/admissions/covid19/guide-to-written-school-appeal-process-final.pdf>

Appeals in the normal admissions round should be made to Hertfordshire County Council. Parents should call the Customer Service Centre on 0300 123 4043 to request their registration details, log into [www.hertfordshire.gov.uk/schoolappeals](http://www.hertfordshire.gov.uk/schoolappeals) and click on the link 'log into the appeals system'.

In-year appeals should be made to the Local Authority using the application form on its website which can be found here - [In year appeals | Hertfordshire County Council](#)
