

School Lunch Survey February 2018

(164 children from across key stages were asked to complete the survey on three different days during lunchtime)

	Strongly Agree	Agree	Disagree	Strongly Disagree	Actions for the School and Govindas
1. I like school lunches	80	76	8	0	
2. I got the choice of lunch I wanted today	124	38	2	0	Govindas is currently working on installing the Biostore system to enable children choose their meal in class-this information will go straight to the kitchen so they know the exact number of food choices to prepare. Spring 2 2018
3. I enjoy eating my lunch in the hall	102	61	1	0	No actions
4. I have enough time to eat my lunch	60	94	10	0	SLT/ Senior Midday Supervisor are on duty at the end of lunch in the hall to ensure that pupils do not feel rushed-ongoing Pupils are encouraged to eat in order to return to learning at 1pm.
5. I eat most of my	95	58	1	0	No actions.

lunch					<p>Staff on duty check what children have eaten and if they have not eaten an appropriate proportion of their lunch they are asked to return to their seat to eat a little more- on going</p> <p>Kitchen staff and midday assistants encourage all children to eat vegetables and salad to ensure they have balanced diet-on going</p>
6. School lunch is tasty	84	75	5	0	<p>Ambassadors met With Mr Terry the Kitchen Manager and have organised a themed week-they decided that the kitchen should host a week serving food from a different country! A date has been set for this.</p> <p>Ambassadors sampled chocolate cake made by the kitchen and gave feedback to Mr Terry on the taste, look and consistency. The cake will feature soon on the menu! Spring 2 2018</p> <p>Ambassadors have asked Mr Terry to trial hot sandwiches! He is in the process of working with the Ambassadors to decide fillings etc. Ambassadors will taste a range of hot sandwiches and decide which sandwiches the kitchen will serve. Summer 1 2018</p>

7. If you were in charge of the dining hall and kitchen what would you change	<p>Please can we have less cheese on the pizza as I do not like cheese?</p> <p>Can you make lunchtime even longer –maybe 2 hours?</p> <p>Can we have sandwiches?</p> <p>Can we have themed weeks please?</p> <p>More spice and pepper in my food like at home.</p>	<p>Our pizza at school comes with cheese, however there is always a second option for pupils who do not like cheese.</p> <p>We cannot extend lunchtime; otherwise you would not be going home until 4:10pm. Lunchtimes in most primary schools are for one hour to allow time to play and of course to eat your lunch.</p> <p>Yes, Ambassadors are working alongside Mr Terry and will ‘taste-test’ his hot sandwich creations to check they are tasty and filling! Summer 1 2018</p> <p>Yes, Ambassadors have listened to your comments and have decided on a themed week! Spring 2 2018</p> <p>As a school we have to follow strict guidelines about what we can and cannot put into foods. At home your parents are able to add more spices if they wish to but at school we have to make sure we follow the guidelines.</p> <p>As we are a school who encourages healthy eating we cannot give you juice</p>

AVANTI COURT

Excellence · Virtue · Devotion

	<p>Can we have orange juice to drink or lemonade?</p> <p>Can all the tables face the deities so that we can see them when we eat?</p> <p>A bigger portion of pasta would be good.</p> <p>Can the dinner ladies smile more?</p> <p>Can you sweep the floor more as I keep stepping on rice?</p>	<p>or lemonade as these are not healthy if served every day.</p> <p>It is really difficult due to space to get all the tables nearer to the deities. However, please do feel free to walk over to the deities during lunchtime.</p> <p>The pasta is is huge ‘hit’ with you all! However, we have guidelines that the school must follow to ensure you are eating a healthy lunch. Please do make sure you take bread, salad and vegetables as well as your main meal.</p> <p>Yes, a smile is so important! It has huge health benefits as well as making others happy. The school will speak to lunchtime staff and encourage them to smile more! Spring 2 2018</p> <p>The school will work harder to keep the floors free of rice-pupils could help to keep the floor clean too-if you drop any food please pick it up or ask for help.</p>
