We have learnt how to sing kirtan and we had the best kirtan when we led the Aarti it at the Temple in London.

## Year 1

Year 1 was a very successful year for PRE as we put together a range of plays like the Ramayana and the story of Jesus. We learnt about the vitality of Religion and that we should be courteous to people from all faiths. We also learnt about the majestic Lord Krishna .

Furthermore, we learnt about the incredible Maha-Mantra also known as the holy names of God. We were taught very interesting stories and super enthusiastic songs, which related to our supreme lord.

### Year 3

In Year 3 we performed a play about the Ramayana, the whole play was performed in Sanskrit and it was linked to PRE as it had the theme of good and evil, which we were learning about with Mr. Sharma (our first Sanskrit teacher). This activity was really exciting, calming and enjoyable.

### Year 4

During Year 4 we started our learning journey about Karma. Here we developed an in-depth understanding of the word KARMA and found that it has a big impact on our daily life. This has made us think carefully about the choices we make everyday. We have learnt that what goes around comes around, therefore we must be careful and pay the utmost respect and be humble towards all living things. We had interesting debates as we focused on understanding the philosophy and the core values which are now embedded in our lives and the way we think.

### Year 5

In Year 5 our favourite topic was the Creation. We learnt about how different faiths believe the world was created. We were very lucky to perform a play about how Lord Vishnu created the world and the role Brahma has to play. We performed this play at the South Bank Centre. We had a magnificent drama teacher, Miss V. The best thing was when we got a standing ovation for our efforts. This was the first year Mrs Makwana started teaching us PRE. We learnt interesting topics and had the chance to debate our ideas and opinions.

### Year 6

Our Journey throughout Year 6 was very interesting. Every term was filled with exciting new ideas, which Mrs Makwana enriched our learning with new topics and challenges. We also got the opportunity to showcase our talent to other Avanti schools and we continued to rehearse for our final performance where we learnt new facts about Creation. We are grateful to Mrs Walters for giving us permission to take part in these fantastic projects.

In our PRE lessons we not only hold debates but also had quizzes which complemented our learning. We certainly had a great time learning in PRE with Mrs Makwana.

A great big THANK YOU from all of us in Year 6!

*During our time at Avanti Court we have learnt all the values and have grown spiritually. We will always have this in our heart.*
