AVANTI COURT PRIMARY SCHOOL

Courage and Gratitude

Dear Families,

**This term our values have been
Courage and Gratitude.**

This term has been all about having the courage to move forward and being grateful for what we have.

Children have explored these topics within the curriculum. They have thought about changes that will be happening in their lives, as they begin the transition to the next academic year. Our oldest children in the school will be the first set of year 6's to leave Avanti Court. At the end of each key stage there has been a celebration to share achievements and prepare children for the future.

Our PSHE unit this term has also been changes and through lessons and assemblies children have explored ideas about how to cope with change in a positive way.

Mrs Dodia

**As we express our gratitude,
we must never forget that
the highest appreciation is
not to utter words, but to
live by them.**

John F. Kennedy

ASSEMBLIES, PUPIL VOICE AND CHARITIES

During assemblies children were learning about the important work carried out by the NSPCC and the whole school participated in a fund raising event. We raised money to help those children who had the courage to speak out. Children watched videos of other children who were helped by the NSPCC. They were also reminded about what to do if they ever felt they needed help.

All classes participated in a sponsored penalty shoot out with the teachers kindly being goal keepers. We raised **£1,518.04** for this worthy cause. Thank you donating so generously. Please stay safe and have a lovely summer

**"I learned that courage was not the
absence of fear, but the triumph over
it. The brave man is not he who does
not feel afraid, but he who conquers
that fear."**

-Nelson Mandela
