Dear Families,

We are the Ambassadors at Avanti Court and we are writing to you because parents are parking right outside our school and this is very dangerous. Mrs Walters and the Traffic Officers have informed all parents to park elsewhere but some are just not listening and this makes us feel frustrated and very worried in case a child gets hurt.

Just imagine you are a child trying to cross the road in-between parked cars, this is really difficult because we can't see the road properly and you could run us over and we could become seriously injured.

Some parents **even** park on the yellow zig-zags when this area should be kept clear at all times.

Some **even** park in front of the school gates and this could stop an ambulance or a fire engine helping us if there was an emergency. Imagine your child needed an ambulance and the gates were blocked and the paramedics could not get to your child! Is this acceptable?

As Ambassadors, we must advise you to stop parking so close to the school so that we are all safe. Please take action and **Show You Care, Park Elsewhere!**

Yours sincerely,
