Works will be completed by Fawns Playground Company</p>

	playtime to practice PE skills				
Whole school healthy living and fitness workshops including Healthy Living Week (June 2018)	Children are encouraged to participate in a variety of activities	Spring term 2018	£1000	Children make healthier choices when in and outside of school and have a good understanding of what makes a healthy life style	<p>Olympian came into speak with pupils across key stages to encourage them to take part in sporting activities- see newsletter for impact</p> <p>Parent Year 2 came in to work with Year 2 on healthy food choices. Professional cricketer came into Avanti to work with pupils in Year 3</p> <p>All year groups had the opportunity to make food linked to healthy eating and to take their food home to encourage parents to try different foods</p> <p>A representative from Govindas came into Avanti to show children how to make healthy drinks using a smoothie maker which was powered by peddle power. All pupils had the opportunity to try different fruits and vegetables in order to kick start new habits.</p> <p>The school also participated in the NSPCC campaign to Stay safe and speak out.</p>

					Ambassadors worked throughout the Year with Govindas to improve the lunch menu provision-see Ambassador minutes
To provide specialist sport coaches subsidised by the school- table tennis/ dance/gymnastics/archery/cricket	All children benefit from good practitioners who can share their skills and raise the profile of PE across the school	From Autumn 2017-July 2018	£2000	Pupils confident enough to join outside sporting clubs/ activities Progression in PE across the school is effective and pupils are knowledgeable	Clubs publicised ranging from Multi skills, dance, football, taekwondo- see registers for impact The take up for morning before school sessions was minimal A reason for the minimal uptake could be that pupils already attend a range of clubs offered at Avanti after school such as: Dance, Taekwondo, football, multi skills Next steps: Invite club leads to deliver an assembly on their club to engage children- archery
Sports specialist caches/trainers to provide good quality INSET to all class teachers/HLTAs on the new scheme of work so lessons are effective	All teachers benefit from high quality training to support pupils during PE lessons	Spring 2018	£1000	Teachers trained in PE so they are able to teach adequately and effectively, which will support pupils to develop a passion for sporting activities. Team teaching with specialist coaches will ensure regular training needs are met. Lesson observations by SKT will ensure high quality lessons and that pupils make progress	Sports specialist is in place at Avanti and as a result PE provision is effective. Staff members from both key Stages have had the opportunity to work alongside the practitioner to improve practice Next steps: Specialist coach to support teachers to move from good PE teaching to

					outstanding in the Autumn term 2018
Val Sabine trainer to provide good quality Inset to all Class Teachers on the new scheme of work so lessons are effective	All teachers benefit from high quality training to support children during school PE lessons	Spring 2017	£650	Teachers trained in PE so they are able to teach adequately and effectively which will support pupils to develop a passion for sporting activities Annual spending identified in the school budget will ensure regular training needs are met lesson observations by SLT will ensure high quality lessons and that pupils make good progress	Training delivered and as a result all year groups are following the scheme of work. Lesson observations who that PE lessons are effective and next steps identified
Outdoor Learning course for Midday Assistants to deliver high quality sports play	All middays trained in effective provision Behaviour is excellent across the school	Autumn 2017	£500	Pupils develop lifelong sports skills	Training delivered and as a result lunch time provision shows that all staff are actively engaged with pupils
Extra swimming lessons for those pupils unable to swim 25 meters in Year 6	All pupils gain an essential life skill which could potentially save their life	Summer 1 2018	£612	All pupils able to swim 25m	Only 4 pupils from the Year 6 cohort were unable to swim 25m. Parents were given the opportunity to take their children swimming (Tritons Swim School in Barkingside) after school for catch up sessions (paid for by the school), however parents were reluctant to take their children after school. Next steps: Current Year 6 cohort- publicise the need to be able to swim and speak to parents individually about

					the need to attend catch up sessions- offer certificates to pupils who attend
Replace and enhance gymnastics resources: benches, linking equipment, gym agility poles	All pupils have access to high quality resources	Summer 1 2018	£1400	Pupil's skill levels are improved. Levels of engagement and participation increase	Resources purchased which increases the opportunity for pupils to be more adventurous in PE- replaced-. Next steps: monitor impact Autumn 1 2018
Stereo system for PE	Pupils have access to music to support the unit of work on dance	Spring 2 2018	£300	Pupil's skill levels are improved. Levels of engagement and participation increase	To be purchased Autumn 1 2018
