EARLY YEARS FOUNDATION STAGE

Newsletter - Spring 2019

Dear Avanti Families,

We have had such a busy term in Early Years with lots of wonderful learning in both our indoor and outdoor environments! We even had the opportunity to explore a some snow! I would like to thank my Early Years team who have worked tirelessly to plan and prepare exciting and inspirational learning opportunities for your children in both Nursery and Reception. Children have even had the chance to explore caterpillars and watch them grow into butterflies!

Thank you
Miss Sahota
(Assistant Headteacher)

'I am putting the giraffes in order, I have put the shortest giraffe first!'

'I am writing in the snow! It feels so soft and icy!'

'I can feel the cold snow! It is very soft and when I put it on my hand it is cold!'

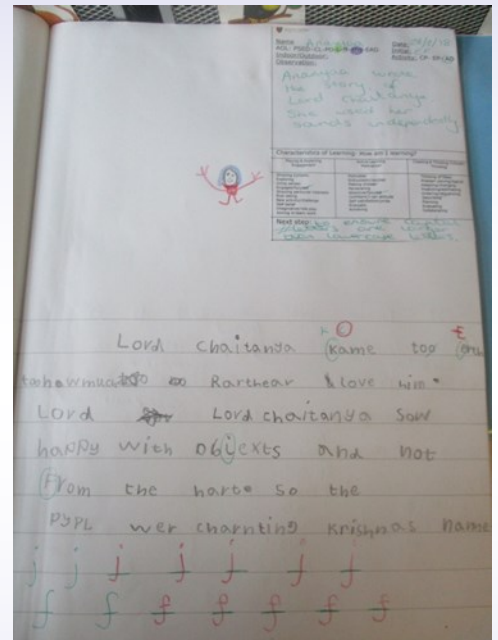

Gaura Purnima– celebrating Lord Chaitanya's birthday...

In the Early Years we celebrated Gaura Purnima, which is a special festival to celebrate Lord Chaitanya's birthday!

Reception children were very excited and wrote about who Lord Chaitanya is and why he is gold in colour!

The children made altars out of modelling materials and blocks. They used iPads to take pictures of their master-pieces!

The Early Years celebrated Chinese New Year! Children were able to make lanterns and decided to change their role play area into a Chinese restaurant! The children even made a gigantic dragon's head!

Children enjoyed talking about Coco the guinea pig with Mr Tejura and even met a lizard belonging to a pupil in Year 5! Thank you Mr Tejura and Amit (Year 5) for sharing your pets with us, the children enjoyed asking you questions.

The Early Years need your help!

If you have junk material such as cereal boxes, plastic bottles, buttons, ribbons or large cardboard boxes, please can you pass them to a nursery or reception

teacher! We are always looking forward to receiving modelling materials– so please keep them coming!
