

PE and Sports Premium Action Plan & Spending Report

School Name: Avanti Court Primary School

Date: 2023-24 Academic Year

School's PE and Sport Strategy

1. Context

From September 2013, the Government allocated funding directly to primary schools to support the provision of quality PE/Sport. Schools must issue the funding to make additional and sustainable improvements to the quality of PE and other sports they offer.

This means schools should use the Sports Premium to:

- develop or add to the PE and sports activities the school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are five key indicators that should expect to see improvements across:

1. The engagement of all pupils in regular physical activity – kick starting an active and healthy lifestyle.
2. The profile of PE and sport being raised across the school as a tool for school wide improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. A broader experience of a range of sports and activities offered to pupils.
5. Increased participation in competitive sports

Avanti Court Primary School's vision for PE and sport is that every child should experience a variety of sports and physical activities that inspire and motivate them so that physical activity is enjoyed and embedded in their healthy lifestyle. Every child should be given the opportunity to develop their skills and learn how skills can be transferred. At ACPS we also recognise the benefits that yoga and mindfulness have on health and wellbeing and every child is given the opportunity to participate in these activities.

2. Funding

Year	Total Amount of Sports Premium Grant	Total Sports Premium Expenditure
2023 to 2024	£21,480	£21,480

3. Planned funded provision and evaluation for 2022 to 2023
