Avanti Court Primary School

Welcome from Mr. Koorichh, Principal

Welcome to Avanti Court Primary School, Redbridge. (ACPS).

Hare Krishna! On behalf of the pupils, staff and School Stakeholder Committee, I warmly welcome you to Avanti Court Primary School where everyone is welcome and everybody is included. Our special ethos is embellished by our unique three-fold pathway; Spiritual Insight, Character Development and Educational Excellence centred around the development of the whole child.

Drawing from the teachings of Sri Krishna Chaitanya, our ethos shares His inclusive understanding of education and spirituality which propagates humility, equality for all, love and compassion that stretches across all faiths and philosophical teachings. At Avanti Court Primary School, every child is a unique spiritual being with incredible potential and our curriculum offer enables them to flourish and move along in their journey of life with confidence and grace. All staff work collaboratively with parents/carers as co-educators to ensure that every child who is at the heart of everything that we do is prepared to meet their life challenges.

We are an inclusive school and care for and show respect to those from all walks of life, providing personalised pastoral care and support enabling our learners to choose the appropriate tools for embracing and tackling both opportunities and setbacks in their lives.

As the Principal of Avanti Court Primary School, my role is to be present and serve all members of this vibrant community in a way that enables us to thrive and be the best versions of ourselves. A famous Chinese proverb resonates here: if you want to go fast work alone, if you want to go far walk together. At Avanti Court Primary School we aim to go far.

We would love for you to visit our special school.

Sincerely,

Mr. Koorichh

Our purpose and virtues

Our purpose is simple, yet profound:

To inspire spiritually compassionate changemakers

We realise our purpose by developing six virtues

Self-discipline

This virtue is a foundation of our capacity to express free will by the ability to regulate our actions and emotions.

Respect

This virtue is an essential ingredient for positive educational interactions.

Empathy

This virtue builds our capacity to deal with complexity by broadening our perspective and not rushing to assumptions.

Integrity

This virtue enables us to build trusting relationships and a healthy sense of self-worth.

Courage

This virtue frees us from artificial boundaries that limit our growth.

Gratitude

This virtue helps us develop a deeper connection with others and the world by recognising their contribution to our success.

The three pillars

Our school prepares pupils for their respective life-journeys by promoting educational excellence, character formation and spiritual insight.

Spiritual Insight

A healthy tree has deep and strong roots to withstand storms. The roots of our spiritual life similarly keep us grounded. Watering our roots is essential to their care, reminding us of the importance of our internal journey of self-discovery.

Character Formation

A strong trunk stands firm to bear a vibrant crown. Our strength of character similarly enables us to engage positively with all that life has to offer. That character grows from spiritual roots and is strengthened through the quest to make the world a better place, starting with ourselves.

Educational Excellence

A healthy tree has a flourishing crown, with fruits that enrich the lives of others. Similarly, our unique gifts are nurtured through educational excellence and enable us to contribute to the world.

Our beliefs

1

Realising potential

We believe we each have incredible potential which can be nurtured intellectually, emotionally, physically and spiritually.

2

Empowering choice

We believe that while we cannot always control our circumstances in life, we have the capacity to choose our responses; to respond with goodness and to nurture goodness within.

3

Strengthening interconnection

We believe all life is interconnected and therefore strive to care for and respect all life – human, animal and plant – living in a way that causes the least possible harm.

4

Enriching diversities

We believe we each observe the same one reality, but from our own unique perspective; it is through open-hearted dialogue that we deeply enrich our vision.

5

Expanding purpose

We believe by serving a greater purpose, we can live a meaningful and satisfying life of contribution.

6

Nourishing loving relationships

We believe relationships which nourish our need to love and be loved encourage us to be the best that we can be.

Our commitment to parents, carers and pupils

We want to involve you as parents and carers fully in your child's education. By working closely with you we can ensure that each stage of your child's journey is stimulating, positive and enriching.

We will provide:

- The very best teaching in every subject and every classroom;
- A rigorous curriculum that challenges and stretches every pupil to be the best that they can be;
- A regular and robust assessment and reporting system that clearly informs you about your child's progress;
- An enrichment programme that includes academic, sport and music related activities;
- A wide range of local, national and international educational visits;
- Clear and precise feedback that enables every pupil to master key skills and build their understanding;
- Opportunities to contribute to the life of the school and develop their leadership skills;
- A safe learning environment in which your child can flourish and be happy

The Avanti approach to Learning and Teaching

Learning and teaching in all Avanti Schools is underpinned by the Avanti Teacher Toolkit. Our teachers and teaching assistants are guided by the 12 Avanti Habits, rooted in cognitive science and evidence-informed practice. All our teachers are continuously developing their practice through exceptional professional development from the Avanti Institute, ensuring that our pupils benefit from the highest quality teaching in every lesson.

12 elements of great learning and teaching in Avanti Trust Schools

Through a planned programme of training and development supported by The Avanti Institute, we ensure that all Avanti Trust Schools have a highly developed sense of what constitutes great teaching. We continuously train and coach our staff on every feature of high quality pedagogy, in order that every pupil gets an education that is second-to-none.

We ensure that all our teachers:

1. Build positive relationships with pupils and each other
2. Begin and end lessons calmly with familiar routines
3. Use intentional seating and classroom set up
4. Create a flourishing learning environment by managing behaviour effectively
5. Have clear and ambitious learning intentions for all pupils
6. Are always context considerate and adapt practice appropriately
7. Activate daily review of prior learning
8. Present new material in small steps
9. Provide modelling and scaffolding
10. Give opportunities for guided and independent practice
11. Ask effective questions and check for pupil understanding
12. Review learning regularly before moving on to new content

“Plan activities that will enable pupils to demonstrate understanding and master skills.”

Curriculum

Early Years Foundation Stage

At Avanti Court Primary School, we want our pupils' to gain first hand experiences of education to be enjoyable and engaging. At ACPS, we offer 15 hour Nursery provision, where children are able to experience a rich curriculum at the age of three years. We expect all members of the school community to work collaboratively, with high aspirations and expectations of everyone, consistent with our ethos.

By the end of the Foundation Stage, we aim for all our children to have developed positive attitudes to school supported by positive relationships with adults, strong friendships, meaningful learning activities set in an engaging, calm environment and strong links between school and parents/carers. We also expect them to have a firm understanding of phonics, and will offer additional directed support to those with need.

Leaders make sure that reading is a priority. They have clear expectations of the delivery of the daily phonics sessions. (Ofsted 2022).

Children will be offered a broad, balanced Early Years Foundation Stage curriculum. This allows plenty of opportunities to learn through play in a wide variety of contexts and focuses on: personal, social and emotional development; communication, language and literacy; problem-solving, reasoning and numeracy; knowledge and understanding of the world; and physical and creative development. Teaching will encourage all children to ask questions and talk about their play and learning.

Key Stage 1 & 2: Ages – 11

Avanti Court Primary School offers a unique curriculum, which is developing at pace. We currently teach all the subjects in the National Curriculum i.e: English, Maths, Science, Computing, Design & Technology, History, Geography, Music, Art, Personal, Social Health Education (PSHE).

We also have a number of visiting specialists who support learning and the development of innovative practice in ICT, Expressive Arts, French, Sanskrit, PE and Yoga.

We encourage our children to experience learning outside of the classroom setting and often extend their learning opportunities by taking the children out on extra-curricular visits to different places of interest, in order to reinforce their learning and encourage further engagement in particular topics, themes or subject knowledge.

Uniform

Uniform and achievement have always been a high priority for the Avanti Schools Trust. We believe the way in which pupils wear their school uniform reflects the importance which is placed on attention to detail and pride in the school. The smart appearance of our pupils has been appreciated by parents of prospective pupils and visitors to our schools. For more information about the school's uniform requirements please visit our website.

School lunches

An important part of our ethos is around the provision of hot, fresh, nutritious meals. Sharing tasty, healthy school lunches is an integral part of the educational experience at an Avanti school. It's also an opportunity to enhance social skills and table etiquette, ensuring lunchtimes are a positive experience for all. School staff often enjoy taking lunch with pupils, creating a family atmosphere.

The lunch meals cooked on-site are vegetarian (in line with the faith ethos of the Trust) and half-termly menus are also available on the School's website. If the lunch provision on offer does not meet your child's needs, or if your child has specific dietary requirements/preferences, please do speak to Govinda's (our catering provider) so that they can provide for your child accordingly.

We encourage parents to visit the school to sample the school lunches in order to satisfy themselves with the quality of provision. We strongly encourage parents who have financial constraints to apply for Free School Meals. An application form can be obtained from the school office. Any forms received by the school will be kept confidential.

Life at Avanti

Wellbeing wisdom

Avanti staff have access to regular wellbeing sessions. Our previous sessions have been led by medical professionals, corporate coaches and even monks! We discuss everything from how to overcome stress to learning about meditation.

Retreats

Staff and upper KS2 pupils will have an opportunity to go to annual off-site retreats. These are fantastic retreats allowing; individuals to nurture and develop more friendships, engage in fulfilling activities whilst going out of their comfort zone, improve overall wellbeing and reconnect with nature.

Wide, rigorous and unique curriculum offer

Our schools offer a dynamic classroom approach in which pupils actively explore real-world problems and challenges and acquire a deeper knowledge. Pupils at all ages engage in projects, from studying the environment to social experiments to working on scientific innovations.

Yoga

Every pupil has access to Yoga and Mindfulness sessions which are 30 minutes a week. Yoga and Mindfulness help ground pupils, relieve stress and improve their overall health and wellbeing.

Fresh vegetarian meals

We believe a healthy gut is the basis of a healthy life, and that's why it's so important to us that we only use the freshest ingredients when preparing our tasty, nutritious vegetarian meals available for all children.

Avanti Community

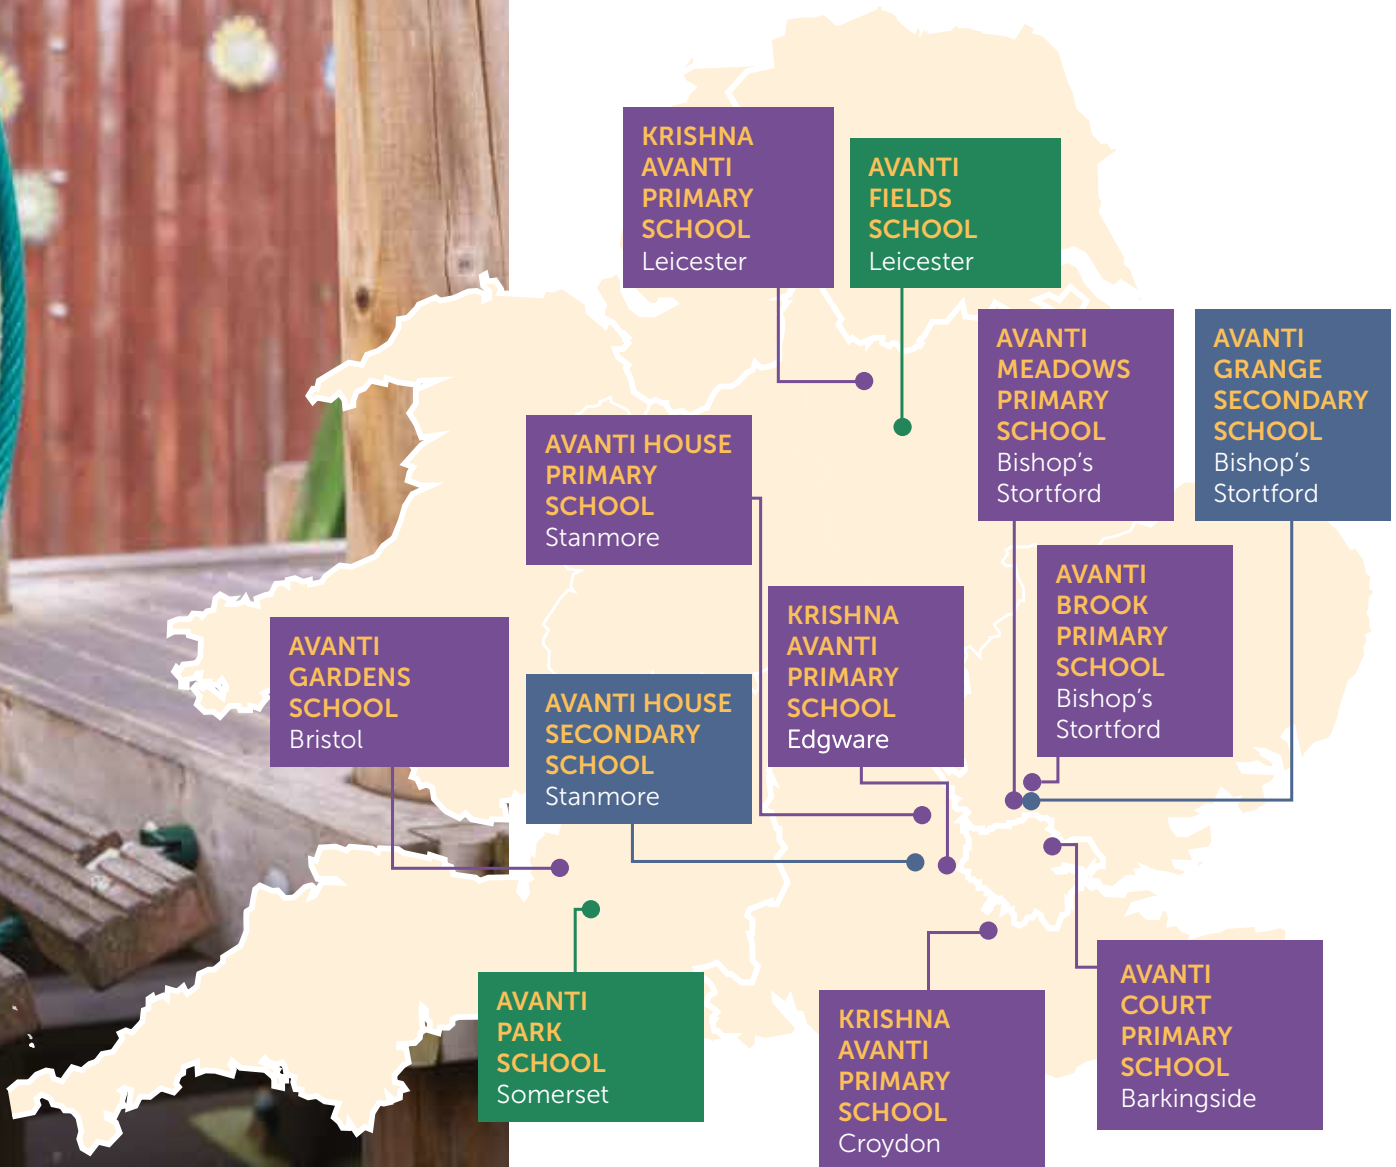

Avanti hosts regular events for parents and the wider community. This is a series of events focused around wellbeing and development for parents in their personal and family lives.

Avanti Schools Trust

Avanti Schools are based across the country. The idea for Avanti began in 2003 and our first school was opened in 2008. Our vision was for a family of schools based upon our core principles of educational excellence, character formation, and spiritual insight. We now have over 5500 students and 700+ members of staff across our family of 12 schools.

Avanti has a proven approach to school development and improvement, with excellent pupil outcomes across our schools for example our school outcomes are amongst the top 10% in the country at Key Stage 2 and 4.
