

Consultation Report: Avanti Fields School

Thank you for taking the time to read the consultation report for Avanti Field's Admissions Policy. We hope that you find it informative.

Avanti Fields ("the School") is part of the Avanti Schools Trust and is an inclusive Hindu faith-designated school which welcomes children of all faiths and none. More information about the School can be found by visiting the website at <http://www.avanti.org.uk/avantifields>

The Trust Board of Avanti Schools Trust ("the Trust Board") is the "admission authority" for all schools within the trust, and is responsible for determining and implementing the admission arrangements for those schools.

Proposed Changes in the Consultation

In this recent revision of the Admissions policy we have amended the address of the school, and that distance will only be measured from the permanent site. We have also added the Reception intake.

We consulted with:

- Avanti Staff
- Avanti Parents
- Local Schools
- LA

Feedback

We received 100% positive feedback for the changes and support from parents in the school being built at the designated site. Parents have requested further updates on the school build, which we will inform them about as soon as updates are available.
