

Nursery Class - Autumn 1

Big Question: *Are we all the same?*

Text : Nursery rhymes, Colour Monster, Elmer and Rainbow fish

Key Text this term:

Writing and fine motor skills

We want all our children to develop their gross and fine motor skills.

Encouraging your child to climb and be active is part of developing their core strength for gross motor. Throwing and catching bean bags and balls, hopping around on one foot and letting your child have a go at pouring their own drink into their cups is all part of their development.

You can have fun with fine motor skill activities at home. Have a go at threading with pasta, rolling and kneading playdough. Cutting, following lines with scissors.

Reading:

Reading is such an important part of your child's development. Reading daily to your child as well as singing nursery rhymes are crucial for your child's development in communication and language and literacy. Reading stories and exploring sounds through song and rhyme can help your child differentiate between sounds, understand what a story is and increase their vocabulary.

Why not explore some of our story time clips on our website or even take your child to the local library to explore the wonderful world of books.

Other home learning ideas:

- Making play dough with your child.
 - Playing I spy games.
- Reading a story to your child every day.
 - Going on autumn walks
- Gathering autumn leaves and exploring and talking about colour.

Home learning project:

Can you make a painting or picture of the people who live in your house with you?

Maths:

We will be focusing on:

- ❖ Daily counting and number songs
- ❖ Develop fast recognition of up to 3 objects
- ❖ Recite numbers up to 5.
- ❖ Say one number for each item in order: 1,2,3,4,5.
- ❖ Show 'finger numbers' up to 5.

Remember to go onto our school website for key calendar dates: [Calendar – Avanti Fields School](#)
