

Key Information for Secondary Parents & Pupils for 2024-25

We writing to you to provide a number of updates prior to the start of next academic year. Each year, we seek student feedback on what is going well at school, and what could be improved, as well as taking note of any parent suggestions or feedback that come throughout the year. With this information, we have reviewed some of our procedures. Please do take the time to read through this letter and discuss it with your child during the summer holidays, prior to their return on: **27th August (Year 7 only) or 28th August (Year 8, 9, 10 and 11).**

Behaviour Policy Updates

Through consultation with our staff and students, we have made changes to our behaviour policy for next year. Feedback on providing more clarity around sanctions has been taken on board, as well as creating a single rewards system by fully utilising House Points are some of the key changes. In addition to this, we have included a section around the use of electronic devices. Can you please take the time to familiarise yourself with these new policy prior to the start of the new academic year.

We will be holding assemblies this side of the summer break to inform pupils of the changes and will begin next academic year with an assembly on behaviours and attitudes to ensure our expectations remain high.

Our updated behaviour policy can be found on our website here:

<https://avanti.org.uk/avantifields/policies/>

Mobile phones / electronic devices

As part of our updated Behaviour Policy, we have amended our expectation for the use of mobile phones and other electronic devices, including SMART watches. Mobile phones and other electronic devices will be stored in pupils' lockers, NOT in blazers or in bags. Mobile phones should be turned off upon entry to the school gates and we recommend that SMART watches are not worn to/from school.

Govinda's Break Time Snacks

To support pupils being able to eat a healthy snack and meal at school, as well as promoting positive behaviours at break time, we will be changing how we sell break time snacks. Pupils will be able to purchase a break time snack on alternating days. On days where pupils are not able to purchase a break time snack, we encourage students to bring in their own ethos friendly snack, such as fruit, cereal or muesli bars (nut free) or a small cheese sandwich.

Secondary Parking Permits

A reminder that there is limited secondary parking available on school site as we need to prioritise the drop off and collection of our primary pupils. We encourage all secondary parents to use a park and stride from Tesco or walk/cycle in via the Thurmaston Lane pedestrian gate. At the start of the academic year, and periodically throughout the year, the Senior Leadership Team will be checking parking permits and asking parents to leave the carpark if they do not have a right to be there.

In addition to this, we also ask that secondary parents do not park along the road leading into the school, Bhaktivedanta Marg. There is a timed parking restriction in place between 2:30pm – 4:30pm each day. If parents park along our access road, it will delay emergency vehicles access to the site should it be needed.

Should **your child** have any additional needs, who are not able to walk from Tesco, please complete this form to request a parking pass for the 2024-25 academic year. Parking passes will be issued to secondary parents in the last week of this year, between Monday 15th – Wednesday 17th July.
