

### Year 1 Reading competition

Can you read all these words without Fred talking? This is a read for speed competition!

**Parents:** To help your child read these words in and out of order cut them up and turn them over. Every time your child can read a word they can 'keep it,' by the end of the game count the number of words they have read by sight, see if they can beat this the next day they play with you. Start off with just 5 words and then build this up if your child is struggling. There are also some 'spicy' challenge words at the end!

**Prizes:** All pupils will be checked the first week back. The pupil who can read the most words (out of order) will win a prize and also a pupil who is recognised for making good progress will also be picked to win a prize.

Don't miss out! Read, read, read!
