# SW HUB AVANTI NEWS

April 2020

## Message from the SW Hub Director - Carolyn Dickinson

Carolyn Dickinson

The aim of this newsletter is to provide a brief update on some of the various actions and discussions that have been taking place across the three Avanti schools in the South West Hub since the schools joined on November 1 2019.

### Congratulations to Avanti Gardens Kindergarten Team Awarded the Bristol Standard

**T**he coronavirus (COVID-19) continues to present daily challenges for us all. Thank you for all your co-operation as we work to ensure the safety of all children, families and staff. We do not underestimate the challenges that this situation is causing you both professionally and personally and want to assure you that we will do all that we can to support you going forward.

I do hope that as parents and carers you and your families are well and that home learning has started well. Staff in all 3 Avanti schools in the south west continue to work incredibly hard to ensure all pupils have work and activities that are accessible and engaging. I am extremely grateful to all our staff for their tremendous efforts whether that be from working at home or from those in school.

In line with the latest government guidance all our schools remain closed except for children who absolutely need to attend. We continue to provide in-school care for children who are vulnerable, and children whose parents are critical to the coronavirus (COVID-19) response and cannot be safely cared for at home. If needed, this care will continue over the Easter holidays. The guidance remains that the safest place for pupils and staff is at home.

It is great to be able to celebrate this significant achievement of the Kindergarten team in Avanti Gardens. The Bristol Standard is nationally recognised as a self-evaluation framework for early years education. The submission by the kindergarten team involved a detailed analysis of what is currently working well and what they hope to improve in the future.

### Curriculum Review

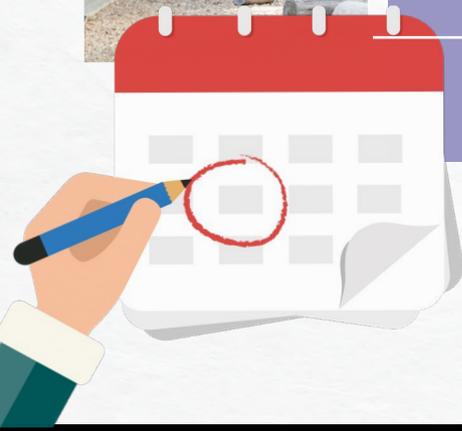

The curriculum review team is scheduled to report their findings to the Avanti Schools Trust Board in late April 2020. Our intention is to share the report with staff and parents together with the new curriculum plans for each school the week commencing May 4 2020. Following the publication of the review outcome there will

be opportunity - via each school's website - for parents to ask questions in order to gain clarity about some of the detail of the new curriculum plans for September 2020. In addition, a staffing restructure process will commence across all three schools to ensure we have the correct staff in place for each curriculum.
