PTA NEWS

Happy new year from the PTA!

Following the amazing success of our winter fair we have had a surge of interest in joining our PTA community. There is a whatsapp group already set up with lots of ideas being shared and volunteers asking how they can get involved.

Our first community meeting of the year will be held on zoom **next Wednesday 18th January at 8:30pm**. This is an open meeting and all are welcome to join, contribute or just make a cup of tea and listen. Please come!

UPCOMING PLANS

Library Refurbishment

We have put together some theme ideas and the next stage is to get designing the space. Anyone who can help us with sourcing materials, decorating and especially planning and budgeting would be gratefully received.

School Garden

Plans are underway to set up a community gardening group at Avanti Gardens, involving a parent volunteer group and after school clubs for the children. Watch this space!
