

AVANTI GARDENS SCHOOL

Family Bulletin

MESSAGE FROM THE PRINCIPAL :

Dear Families of Avanti Gardens Children,

Welcome back to our sixth and final term of this academic year. I hope that you all had a restful and enjoyable half-term holiday – we were blessed by such incredible weather and hopefully it is a signal for a summer of excellent weather ahead.

New routine success

I wanted to thank you all for your willingness to adopt the new morning and end of day routines. It has been great to see so many individuals and families enjoying the walk through our beautiful school site at the beginning of the day – I'm not sure there are any better primary school routes to be found. Regarding the end of the day, the system will evolve and develop with the introduction of new entrance and exit points over the summer holiday. This will further improve the flow and allow for more room for classes. Many of you have done so already, but please do speak to me at either drop off or collection and I will be happy to explain how the system will develop in September. I will of course be writing to all families to explain any changes in detail.

I would also like to thank many of you for dismounting your bikes and vehicles and walking through the one-way system in the morning. As a keen cyclist myself, it is great to see so many people choosing active and eco-friendly ways to travel to and from school. I would however express a slight concern at the number of adults and children not wearing helmets when travelling. I would strongly

encourage all to wear a helmet as it significantly reduces the likelihood of serious injury.

Uniform and Attendance

Lack of uniform and poor attendance still remain areas of importance for the whole school to improve consistency and inclusivity. I will be writing in greater detail over this coming term about systems, processes, and to clarify expectations for September but as always I would continue to encourage you to be punctual in the mornings to enhance learning opportunities and to adhere to the Avanti uniform policy which clearly states the expectations and justifications.

Once again, welcome back to what I'm sure will be another exciting and engaging term at Avanti Gardens. We have some brilliant curriculum areas to explore, and some exciting activities and events planned. I would like to again thank you for your ongoing support and encouragement as our whole team works to provide our school community with the best possible offer.

Best wishes,
Mr Penny
