UPDATES

Thank you to all who joined us at today's Stay and Read. This won't be the last event of this kind. We will keep you updated as soon as we can.

Lost Property

Lost property comes to reception during the day so that children can come and reclaim their items. We aim to get it to the sports hall at the end of the day where it is kept in the entrance. This will be accessible to parents at the end of the day on Mondays Wednesdays and Fridays, whenever possible. Please come to have a look for your child's lost items. Please also label clothing. Thank you.

Who can collect your child

If you need someone else to pick up your child please inform the office, by email and by 2pm . We will email the information to the class teacher. If they do not have a chance to check their emails, then a record is kept at reception and teachers will radio through to check. If you wish to add people to your child's "Can Collect" list on Arbor please email the office

with this information. You then don't need to email every time this person is collecting. Teachers will be provided with updated lists at the beginning of term. If the person is added during the term you may still wish to email to inform us as the teacher will still need to radio the office so that we can check their Arbor record.

Please don't forget to inform us if you wish to remove anyone from the "Can Collect" list. Thank you for understanding regarding the Safeguarding matter.

P.T.A. Market Stall

The P.T.A. will be starting market stalls on a Friday after School to raise money for the school. Next week they will be selling hot chocolate, so don't forget to bring your pennies!

AVANTI GARDENS PTA

Hello, everyone! Happy September, and a warm welcome to our school community!

We want to start by extending a hearty welcome to all the new families joining our school. We're excited to have you with us.

We're the Avanti Gardens PTA, and we've been up and running for about 1.5 years. We're here to bring together our wonderful school community. That means connecting families, students, and staff and nurturing strong relationships between parents and the school.

Over the past year, we've been busy organizing all sorts of fun events, like school discos, summer and winter fairs, special talks by local charities, and even some lively maypole dances.

We've been using the funds we raise to support our teachers with classroom resources, help cover the costs of school trips, and give our school library a beautiful "enchanted forest" themed makeover.

We've got a core committee that's full of great ideas, as well as a broader community group. So, no matter how much or how little time you can spare, there's a way for you to get involved and help us create some magic here at Avanti.
