

PE and Sports Premium Action Plan & Spending Report

School Name: Avanti House Primary School

Date: 2016-17 Academic Year

School's PE and Sport Strategy

We have spent and will spend future funding for PE and sports in the following ways to improve PE and sports participation and to enable pupils to develop a healthy and active life style.

- 1. The engagement of all pupils in regular physical activity – kick starting an active and healthy lifestyle.*
- 2. The profile of PE and sport being raised across the school as a tool for school wide improvement.*
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.*
- 4. A broader experience of a range of sports and activities offered to all pupils.*
- 5. Increased participation in competitive sports*

PE funding for the last academic year (2016-17) was planned to be spent in two main target areas. These included improving the quality and range of PE and sports provision and to create a legacy for current and future pupils through providing resources and facilities.

Year	Funding per pupil (from reception)	Amount allocated to Avanti House School
2014 - 2015	£5	£8305
2015 - 2016	£5	£8580
2016 – 2017	£5	£8880

In 2016-17 the school will provide further funding from the schools budget of £1000

Action Plan and Spending (2016-17)

Area of provision	Target Participants/ Age Group/Key stage	Cost of Provision	Evaluation tools used (e.g. survey, structured observations, assessment of skills and attitudes)	Desired Impact
