1. Introduction

Avanti House Primary School operates a unique approach towards improving levels of attendance and works in partnership with both our pupils and their families, in order to ensure that school attendance is the best that it can be. We recognise that good attendance can be influenced by a number of factors, and these are as follows:

- Emotional wellbeing, self-worth and self-esteem of our pupils;
- Relationships at different levels, extending into the home environment;
- Different forms of communication between different individuals and at each level;
- Pupil attitudes and engagement in their learning;
- Behaviour management systems which are employed to motivate pupils for good or better attendance levels;
- Staffing structures within schools;
- Pupil and/or family awareness;
- Tracking and monitoring systems;
- Health;
- Responses and consistencies in approaches;
- Ethos and culture of the organisation.

We believe that all pupils will only achieve academic excellence, character development and spiritual enlightenment, if they attend school on a very regular basis. Taking into consideration the above key factors and by adopting a *proactive, personalised and holistic* approach, specific interventions are carefully planned in order to address any attendance issues in a timely manner.

Aims & Objectives

Regular attendance and punctuality are top priorities for the Trust, the school and the staff. We hope to achieve 98% attendance across the school, which is above the current primary national average, for all pupils. We realise that for our pupils to achieve a good standard of academic and social success they need to attend school on a regular basis. We also understand that we need to work closely with families and outside support agencies in order for our policy to be successful.

2. Associated Policies and Procedures

This strategy should be read in conjunction with other closely associated policies and procedures:

Child Protection and Safeguarding;

Teaching and Learning Guidance;

Special Educational Needs and Learning Disabilities Policy

Health and Safety;

Anti- Bullying and Cyber Bullying;

Home School Agreement

Our approaches towards attendance are also reflected in the following:

- Staff/Pupil Induction Process;
- Home / School diaries;
- Pastoral care meetings;
- Weekly Attendance Group meetings;

3. Monitoring, Reviewing and Evaluating our Practice

Yearly

This strategy and associated procedures will be monitored formally on a yearly basis, as an integral part of the schools Policy and Information List. It will also be informed by any legislative guidance and associated recommendations.

Everyday Practice

Associated procedures will be reviewed as an integral part of our everyday practice and this is reflected in the following:

- Attendance monitoring meetings;
- Pastoral care meetings;
- Senior Management Team meetings;
- Staff Meetings;
- Parent/guardians/carers meetings;
- Collective Worship, Celebration Assemblies;
- Our approach towards the curriculum.

The information that is generated as an integral part of the above procedures will be reviewed on a daily and weekly basis and feeds into all aspects of teaching and learning and the continued professional development of all staff.

When legislative changes occur with regard to any statutory, or non- statutory guidance and good practice, recommendations are circulated. The Lead Professional responsible for monitoring and reviewing this strategy is expected to bring these changes to the attention of the Principal. Any further adaptations are consequently included and brought to the attention of all stakeholders.

All members of staff have clear responsibilities and roles with respect to attendance (see Appendices).

4. Principles

We believe that in order to achieve the aims of the school and to enable effective teaching and learning to take place, good attendance is a necessity. Avanti House Primary School is based on inclusive principles that recognise and respect diversity, strive to promote equality and give both rights and responsibilities equal weighting.

This Attendance Strategy aims to develop in our students an acceptance of responsibility for their own attendance as they mature and grow. It also identifies ways in which we endeavour to remove barriers to ensure good or better attendance.

We seek to create an effective learning environment in the school that encourages good attendance at all times by promoting:

- The pupil's self-esteem and self-worth; 4

- Healthy lifestyles;
- Self-reflection and students taking ownership where possible for their levels of attendance;
- Positive relationships based on mutual respect.

We seek to support this process of personal development by ensuring that:

- Our systems are proactive in their approach and demonstrate early intervention and prevention strategies.
- We create a safe and caring learning environment which is free from disruption, violence, bullying and any form of anti-social behaviour and is a 'fun' learning environment for all underpinned by the school's values.
- We work in partnership with our parents/carers and local community to develop a shared approach towards improving or supporting good or better attendance.

5. School Procedures

5.1 Proactive School Systems

Behaviour for Learning Policy

The school has a unique approach towards behaviour management and this supports the development of pupil ownership at all levels. The emphasis on the creation of an orderly, but fun and safe learning environment for all pupils acts to encourage a deeper level of understanding and good or better attendance.

Home School Communication

Our Home School Communication Books acts to alert parents/carers as to how they can support good or better attendance. They also encourage self-ownership and growing self-awareness.

Parent/carer Support

Parents/Carers are supported not only at an individual level but also in a more collective manner as a whole school. Parents/carers can speak to all members of staff regarding any concerns they may have about their child however the attendance is tracked daily by the school.

Pupil Support

Pupil attendance is tracked on a daily, weekly and half termly/termly basis. The Student Council who represent the pupils meet regularly with relevant staff and Principal in order to discuss any whole school or individual issues that are arising that could impact on attendance. Individual support is offered to children via our intervention programmes and personalised learning programs.

Whole School Developments

Whole school approaches towards teaching and learning that act to engage all pupils on their learning journey are also in place.

5.2 Monitoring, Tracking and Analysing Attendance Data

Attendance is monitored, tracked and analysed by our School Office and Attendance lead as an integral part of our daily, weekly, half and termly practice. Individuals and specific groups of learners are identified and interventions to support good or better attendance are implemented (see Appendix).

5.3 Safeguarding

All pupils who are registered on the schools Child Protection Register are monitored and tracked on a daily basis.

6. Lateness and Punctuality

The school works in a proactive manner with our pupils and families and recognises that persistent lateness to school impacts very negatively on a child's learning, however, the school also recognises that there will be occasions where this may be unavoidable due to external factors or family issues. The Inclusion team work with all families on an individual basis in order to address any concerns surrounding the punctuality of pupils to school. The impact of action taken is tracked via the schools Attendance Meeting, who meet on a weekly basis.

Persistent lateness does not constitute full school attendance (Section 444 of the Education Act, 1996). The school operate a staggered start to the school day and pupils are required to be in school by the specified time:

- EYFS: 8:15am Registers are marked by 8:25am
- KS1: 8:00am Registers are marked by 8:10am
- KS2: 7:45am Registers are marked by 7:55am

Children arriving after the time registration is marked by up to and including the 30th minute will be marked as 'late' and those arriving after the 31st minute will receive an unauthorised absence.

In cases of lateness after the close of registration this will be deemed as unauthorised absence. In cases where a child persistently arrives after the register has closed and has received at least 8 unauthorised marks within a period of 10 weeks (term term) a penalty notice can be requested by the school Principal.

7. Referral to the Early Intervention Services in accordance with Local Authority Guidance and Legislative Guidance

If attendance patterns demonstrate cause for concern and school actions are having limited impact, the school will seek the advice of the relevant social services department and will complete a Common Assessment Form (CAF) in order to ensure a multi-disciplinary approach towards any attendance concerns. The formulation of a CAF could possibly result in warning letters to parents/carers of prosecution and the preparation and presentation of prosecution files to a court for non-attendance if attendance does not improve. If a child is absent without good reason (unauthorised absence) for a period of ten school days, or they demonstrate patterns of poor attendance the school will inform and work in partnership with the local authority and any associated agencies to address any issues.

8. Children Missing Education

Pupils leaving the school but future provision not known

In some circumstances, parents/carers tell a school that they are withdrawing their child but are unable or unwilling to say where or how their child will continue his/her education. For example, the family might be relocating but be unable to secure a new school-place for the child in advance. It is important that our families get the support they need to secure their child's education and in this instance, the school will inform the local authority as soon as possible of the impending departure in order that appropriate arrangements are put into place and where appropriate, the authority will inform the pupils' home-authority. Once the pupil has completed his/her final day, the school will follow local authority procedures with respect to the safeguarding of the child.

The policy on Leave

'Leave' in relation to schools means leave granted by any person authorised to do so (the Principal of the school). The Principal will only consider authorising an absence during term time where an application has been made in advance by completing a Request for Leave of Absence During Term Time form and where s/he is satisfied that there are exceptional or special circumstances to justify the request.

Authorised Absence

The school will only **authorise** absence in exceptional circumstances:

- Serious illness or death of an immediate family member (1 day UK, 3 days overseas) at the discretion of the Principal.
- Religious Reasons (up to 3 days).
- Sudden loss of housing through eviction or domestic violence up to a maximum of 3 days.
- Out of school programmes at high level (music exams for example). At the discretion of the Principal.
- All medical appointments should be made out of school time, however if this is not possible after every effort a request for leave should be completed.
- The pupil has been temporarily excluded from school.

Unauthorised absence

Absence will be treated as unauthorised if:

- No explanation is forthcoming from parents.
- The request does not meet the requirements for authorised leave.
- The pupil is taken away from school on a family holiday.
- The school is dissatisfied with an explanation.

Sanctions for an Unauthorised Leave of Absence

In law an offence occurs if a parent/carer fails to secure a child's attendance at a school at which they are a registered pupil and the child's absence is not authorised by the school. Penalty notices supplement the existing sanctions currently available under Section 444 Education Act 1996 or Section 36 Children Act 1989 to enforce attendance at school. Parents and pupils are supported at school and LA level to overcome barriers to regular attendance through a wide continuum of assessment and intervention strategies. Regular non-attendance at school requires pastoral support and monitoring.

In partnership with the Harrow Council, Avanti House Primary School have made a commitment to apply a fixed penalty notice for certain unauthorised absences and lateness.

- Persistent absence: At least 10 school days lost to unauthorised absence within a period of no more than 12 weeks.
- A leave of absence of at least 5 school days not approved by the Principal as exceptional.
- In cases where a child persistently arrives after the register has closed and has received at least 8 unauthorised marks within a period of 10 weeks (term term).

Penalty notices will involve the recipient paying a fine, currently set at £60 per child per parent if paid within 21 days or £120 if paid within 28 days.

http://www.harrow.gov.uk/info/200086/school_and_college/1951/education_penalty_notices

Failure to return after extended leave

Schools can only delete pupils who fail to return on the date they were expected back from extended leave **if they fail to do so within 10 school days**. However, the school must check that the pupil does not have a good reason for their absence, such as disrupted travel arrangements or illness, before attempting to delete the child from the register. The school and the local authority will make reasonable enquiry to locate the pupil before the deletion is made.

If the pupil has a good reason to be absent, he/she will be marked authorised absence using the relevant Attendance Code. If, in the school's view, the pupil does not have a good reason, the parents/carers will be reminded of:

- the date the school said it expected the pupil to return;
- the parents' responsibility to ensure that the child attends school regularly;
- the possibility of legal sanctions against the parents/carers;
- the possibility of the school deleting the pupil from the school roll; and
- that the pupil must be marked unauthorised absence.

If, after making reasonable enquiry, the school is unable to contact the parents/carers or has any concerns about the pupil and his/her welfare, it will seek assistance from the local authority.

The outcome of both the school's and the authority's attempts to trace the pupil will dictate the next steps. If we are unable to find the pupil, the school will refer the case to the appropriate agencies. The school will delete the pupil from the school registers and, if it does so, it will transfer the student's information to the Lost Pupil database, as a safeguard against the child missing his/her education. If the pupil is located, the school will take steps to address the reasons for the pupil's failure to attend, accessing support from other agencies where appropriate.

9. Staff Training

Staff will have access to appropriate training and development sessions in order to ensure that all members are able to support good or better attendance in a proactive manner.

Appendix A

A note to Parents

The Importance of Good Attendance

If children do not attend school regularly they will:

- Experience difficulty in keeping up with their learning.
- Miss out on a variety of activities.
- Not be fully prepared for any school tests.
- Find it difficult to keep their friendships.
- Begin to lose confidence.

At Avanti House School we expect our children to attend school regularly and we will work with you, to ensure this is the case.

IT IS ONLY A FEW DAYS!

An attendance rate of 90% or above sounds impressive over the year, however, it actually means that your child only attends school 4.5 days out of every 5 days. If this continues up to the end of secondary school, they will have missed half a school year! How do you think that will eventually impact on their exam results and their life chances?

What to do if my child is feeling under the weather?

1. Tell a member of staff if they come into school.
2. Remember, they may need to visit a doctor if their symptoms are severe or get worse.

Question?

Can my child attend school if they are complaining of some common ailments e.g. slight cold or tummy ache?

Have a look at the **attendance table**; there is plenty you can do to prevent both your child and others from becoming unwell.

RE: Attendance Levels: – Below 96% attendance.

I am writing to inform you that your child's attendance is currently within 90%-96% which is below our school target of 97% and above.

Highlighting the importance of an excellent attendance record is something Avanti House sees as very important. I am writing this letter to inform you that your child's attendance is currently below 90%, which is below our school target of 97% and above.
