

A WEEK AT AVANTI HOUSE PRIMARY SCHOOL

Thought of the Week

"I've learned that people will forget what you said, people will forget what you did, but people will never forget *how you made them feel.*"

Maya Angelou
1928 - 2014

Our next few assemblies will be around the value integrity linked to unacceptable behaviour in the playground and the term bullying. Our first assembly took place on Monday which was led by two members of school council. They carefully linked behaviour to all of our school values and demonstrated the importance of using the correct terminology, such as bullying. School Council feel very strongly about behaviour in the playground and will be discussing plausible solutions to put forward.

School Council

At Avanti House Primary School, we led on an assembly which was about bullying. We talked about different types of bullying such as physical, verbal, psychological, emotional and cyber bullying. We must show empathy and think about the other person's emotions and feelings.

We talked about how the word 'bullying' is used, a year 5 boy said that most children and adults do not use it correctly and first we need to understand the terminology. School Council will be reintroducing the Buddy Bus Stop so watch this space for more information.

Road Safety Experience: Years 3, 4 and 5

At last week's road safety workshop we learnt how to be responsible when we are crossing the road.

With children's help, we created two recipes, one that doesn't help you where accidents could happen, and the other that helped you cross the road safely. One thing I learnt was that if you are on your phone it could be dangerous as you won't realise there may be a car coming and you could get run over. The man explained it really well and it was a fun way of learning how to stay safe.

World Book Day!

At Avanti House Primary, we all came together to appreciate reading, very loudly and very happily!

Our World Book Day was filled with excitement as children took part in various reading competitions around the school.

To begin our day, we had a surprise assembly with Paige Turner who sent us all on a special mission to help Mr No Imagination to enjoy reading once again. Throughout the day, we took part in workshops and reading activities. Everyone was so enthusiastic to celebrate reading!

See attached to see what else we did.

NSPCC: Speak Out. Stay Safe.

On Tuesday 29th January the children of Avanti House Primary school were visited by two members of the charity the NSPCC. Through assemblies and workshops the children learnt all about the value of the work the NSPCC do for children around the country and how if they needed support at any time, who they could talk to within the school and outside of school. It was a very worthwhile and empowering session for both the pupils and the teachers.

Thank you for your generosity in helping the school raise £260 for the NSPCC.

If you would like to know more about the work of the NSPCC please visit their website nspcc.org.uk/parents

Thank you to Niyati 2FF for writing to me and sharing her passion and enthusiasm for celebrating Red Nose Day. It's a great idea! **Avanti House Primary School will celebrate on Friday 15th March 2019.** Children can come to school with a red nose or completely dressed in red, don't forget to bring £1 or more if you can. All money donated will go to Comic Relief.

Attendance Update.

Well done to three classes for 100% attendance last week.

Down's Syndrome Awareness week (18-March - 24-March)

The school will be marking Down's syndrome Awareness on Thursday March 21st 2019. Children in Year 4 will be taking part in various activities within the day to discuss and talk about their understanding. If you would like to order your very own, unique pair of socks, in celebration, please click on the link below.
