

Year 1 Spellings (for Autumn 2)

Please see the spellings below which need to be learnt for children’s weekly homework. Children need to write a sentence using each spelling in their homework books as they did last half term. We have given the spellings for the whole half term as we know some parents are keen to work ahead but please note we will not give any further spellings.

Those children who are struggling will get interventions during school to help them catch up with their peers but parents need to support them at home as well so they can reach their peers.
