Character Description

Read the following character description taken from the BFG.

What descriptive tools has Roald Dahl used?

Similes? Adjectives? How has the author described clothing? How does the character move?

Write a description of your favourite book character or even it could be of one of your family!

Think about how you can bring out their personality and their appearance (what they look like) using exciting vocabulary.

==== From *BFG* by Roald Dahl=====

It wasn't a human. It couldn't be. It was four times as tall as the tallest human. It was so tall its head was higher than the upstairs window of the houses.

Looking at it carefully, she decided it *had* to be some kind of PERSON. Obviously it was not a human. But it was definitely a PERSON.

The giant (if that's what he was) was wearing a long black cloak.

In one hand it was holding what looked like a very long, thin trumpet.

In the other hand he held a large suitcase.

In the moonlight, Sophie caught a glimpse of an enormous long pale wrinkly face with the most enormous ears. The nose was as sharp as a knife, and above the nose there were two bright flashing eyes, and the eyes were looking at Sophie. There was a fierce and devilish look about them.

The next moment, a huge hand with pale fingers came snaking in through the window. This was followed by an arm, an arm as thick as a tree-trunk, and the arm, the hand, the fingers were reaching towards Sophie's bed. Sophie, crouching underneath the blanket, felt strong fingers grasping hold of her, and then she was lifted up from her bed, blanket and all, and whisked out of the window.

Sophie felt herself being lowered to the ground. Then the Giant let go of the blanket completely. His footsteps moved away.

A blaze of light suddenly lit up the whole place. Sophie blinked and stared.

The giant took off his black cloak and hung it against the wall. Sophie saw that underneath the cloak he was wearing a sort of collarless shirt and a dirty old leather waistcoat that didn't seem to have any buttons. His trousers were faded green and were far too short in the legs. On his bare feet he was wearing a pair of ridiculous sandals that for some reason had holes cut along each side, with a large hole at the end where his toes stuck out.

TALK ABOUT IT!

Geography

For our topic this term we will be looking at *The World Around Me* focussing on physical and human features, rivers and mountains as well as how to use a directional compass.

We will first focus on cities around the UK and then our local area.

Please spend a little time looking at maps using an atlas or online maps, locating countries and well known places and landmarks.

For example, using a map, can you locate where you live?

Can you find the highest mountain? The longest river? London?

Discover the world!
