

## English Homework: Beowulf Puppet Making (due 04.03.20)

Next week Monday, we will start reading a new book called 'Beowulf' by Michael Morpurgo. We would like you to create puppets based on the characters from the book. On World Book Day, we will perform puppet shows in our classrooms for our peers and other children in the school using the puppets you make.

You can use wooden spoons, socks, wool, recycling materials, card, felt, etc. to make the puppets. Don't forget to include props for your puppets like crowns, swords, kingdom background, armour, etc.
