## Sanskrit Cartoons

The children have been watching some cartoons called; Tucket the Bucket and The Greatest Treasure, which are narrated in the Target Language.

This gives them the opportunity to hear their Target Language being spoken fluently.

Watch these cartoons at home and think about what you can learn from each story to apply into your daily lives. (You can view the stories by typing :

“Tucket the Bucket, Sanskrit” and “The greatest Treasure, Sanskrit” on YouTube. )

Now, Read, Write and Transliterate each word in the following table and learn the meanings...

You may use the Alphabet sheet previously shared online, to help you.

(See Sanskrit Homework dated 28.02.2020 for Alphabet table.)

You need to know the starred words both ways. The two dots (:) are called <i>visarga</i> and sound like a breath!
