

## Taking Care of a Dog

Having a dog is really fun because they love to play and go for long walks. You can teach them tricks and get them to fetch balls.

### What does a dog look like?

### What does a dog need?

### What is a baby dog called?

Baby dogs are called puppies. Dogs give birth to lots of puppies in what is called a litter. When they are born, they are looked after by their mummy, who gives them milk to drink.

### How do I keep my dog healthy?

Dogs need to run and play to stay healthy. They also need to go for walks every day and eat the right foods.

### Remember!

Owning and caring for a dog is a big responsibility.
