

## Year 4 Homework – 6.3.20

### **Maths & English**

We participated in the Money sense workshop this week. Your task is to write a recount of:

- What you did
- What you used
- What you learnt
- How does this relate to real life
- Would you recommend this workshop for the future year4's

Try to save it on the google drive so it can be saved onto the school website.

Science: As part of science week , we will be making lavalamps. Each child will need to bring in an empty recyclable water bottle (500ml) for Monday 9<sup>th</sup> March

**Dear Parents/Guardians,**

**Just a note to say a big 'THANKYOU!' for your support in helping the children create their eco-friendly book day costumes and puppets. The standard of the work was very high, and the children took great pride in presenting and sharing their work.**

**We really appreciate your support.**

**Kind regards,**

**Year 4 teachers**

***Please make sure you read for at least 15 minutes every night. Remember to remind your parents to sign your reading booklet.***

***Try to practise your times tables on TTRS***

***Don't forget to look at Mathletics. Try to work to achieve your certificates!***
