Name: _____ Date: 17/11/20

Practise by: 24/11/20

We have been practising how to name some colours in Sanskrit. Please encourage your child to practice saying them.....

Suggestion: Make some Flashcards with coloured pictures, to help them visualise them.

(This is to consolidate in-class learning and does not have to be returned or uploaded back to the school.) (Please keep at home for reference.)
