Dear Parents/ Carers

Please see above our Zoom teaching timetable starting for next week. We will start Zoom sessions on time and will leave the waiting room open for 5-10 minutes before locking the session. We will also leave lesson power points on the website in case you do miss the lesson, or your child is unwell and unable to attend. We will continue to upload the learning menu and extra activities for you on the school website and through Tapestry. We do request that home learning is as fun and practical as possible. Please upload your child's learning on Tapestry for us to see and mark.

Please ensure that your child attends the session with:

Phonics & Maths: a whiteboard/ pen/ paper/ pencil

Maths: hands on resources (cubes/ objects)

We will communicate any changes or answer queries through Tapestry.
