Avanti House Primary Newsletter

July 2022

Dear Parents/Carers,

What an extraordinary school year this has been! I cannot thank you all enough for your endless hours of volunteering, reading, organizing, donating and doing whatever was necessary to support our pupils—both at home and at school. Special thanks to our SSC team, Parent Reps and FOAH who, as usual, went above and beyond the call of duty to provide whatever was necessary to add to our pupils' already rich school experience. I have really enjoyed building a stronger partnership between staff/teachers and parents with our pupils at the heart. Thanks to your support, our school has continued to thrive and to be the school of choice for many with an ever increasing roll.

I would also like to take an opportunity to congratulate our Year 6 pupils who have worked extremely hard, not only this year but throughout their journey at Avanti House Primary School. They have been on an insightful and meaningful journey with us and they will be missed by the entire school community. I am very proud of all their achievements and the way that they have developed their character and embodiment of the Avanti values. I am also proud to share that their SATS results so far are the best results the school has ever produced, and this is largely due to their determination and hard work, as well as their dedicated teachers and parents. Year 6 pupils have achieved well above both local and national average despite having to adapt to online learning. Congratulations Year 6!

Warm regards,
Mrs Joshi
Principal

A Special Treat for School Council & Head Pupils

School councillors and head pupils were given a special treat today by Mrs Joshi for all their hard work and excellent contributions. They have shown the virtue of teamwork, perseverance, patience and gratitude. Pupils reflected on how they have improved the school and what they learnt on their journey as school councillors. Here are some of the many initiatives and ideas that they initiated:

- ❖ Creating an outdoor forest area
- ❖ Welcoming the Mayor of Harrow
- ❖ Parliament Workshop with the MP
- ❖ Playground games
- ❖ Themed weeks ideas
- ❖ School menu on festival days
- ❖ Friendship buddy ambassadors
- ❖ Attendance trophy led by pupils
- ❖ Houses & rewards (starting in September)

Welcoming our new staff!

Ms Patricia – Spanish Teacher

Ms Tirumalai – Year 2 SEN TA

Mrs Harrison (previously known as Ms Menon) -
Year 5SS Class Teacher

Parent Survey – End of Year Feedback

Please take 5 minutes of your time to complete the survey using the link below.

I will be using the summer break to evaluate and review our progress towards each of our school improvement priorities. When assessing some of the initiatives that have been introduced, I would appreciate your feedback and therefore kindly request you to complete a parent survey.

<https://forms.gle/gSU3Bm3De6h3pJZ36>

No Electricity Friday

We celebrated 'No Electricity Friday afternoon' on Friday 8th July. It was a fun way to help children save energy. We found out what life would be like without electricity. We used no iPads, computers, laptops, Interactive white boards or class lights. We found creative ways to learn using the outdoor sensory area, forest school and in class activities. Did you know how much electricity a primary school consumes in a normal week? We use 348.5 Kilowatt per hour of electricity every day! This electricity is enough to boil 18,145 kettles. On July 8th, we only used 313.7 kilowatt per hour of electricity, just by not using electricity for 2 hours. In future, we are planning to reduce this use of electricity even further. We are grateful to all children and teachers for making this possible.

Ratha Yatra

Lord Jagannath, Baladev and Subhadra are finally feeling better and came out onto the ground of Avanti House Primary School to share their joy with the children!

The cart was decorated beautifully by Mrs Nandha, Mrs Halai, Mrs Asim & Mrs Akula. Instead of jasmine flowers, we had popcorn flowers and instead of pillows for the deities to rest on, we had beautiful flowers and petals for them!

Thank you to all of the parents and children who donated delicious fruits and wonderful, fragrant flowers 😊

Ratha Yatra

After a very long time, the children finally had the opportunity to celebrate Ratha Yatra in its full galore!

The festival saw adults and children dressed in their finest, ready to welcome Lord Jagannath into the grounds of Avanti House Primary School.

The children spent the rest of their week learning about the glories of Lord Jagannath, writing poems, postcards of their experience and getting themselves in the mood of King Indradyumna and writing a diary entry.

Parents were also welcome to the event and enjoyed sharing the experience with their children.

Some parents shared:

‘This is the first time I have ever been a part of such a festival and I love it’

‘I am so happy to praise Lord Jagannath with my child and get some delicious fruit prasad too’

EYFS Farm Trip

RLL and RBB children had a wonderful time during our visit to Aldenham Country Park and Farm! They had the chance to visit the farm and see many animals including goats, cows, chickens and a peacock, some of which they even got to feed! The children also explored 100 Aker words, navigating their way using a map and seeing if they could spot the houses of some of the Winnie the Pooh characters! The children really enjoyed their visit and showed brilliant determination, perseverance and stamina throughout the day, walking almost 8000 steps! A massive thank you to our parent volunteers! We couldn't have done it without you! 😊

Green Trees Award

Green Trees Award is a scheme organised by the Woodlands Trust. It aims to encourage children to explore their natural surroundings and get out into their nearby woodlands and forests. The Woodlands Trust is the UK's leading woodland conservation charity that inspires pupils and students to love woods and trees. By completing activities for a given number of points (1, 2, 3 or 5), the school can earn the following awards.

5 points = Bronze Award

10 points = Silver Award

15 points = Gold Award

30 points = Platinum Award

We have been busy since the Easter break and have already gained 4 points towards our Bronze Award. Have a look at what we have been up to.

Green Trees Award

Points awarded – 2 points

Back in April, our Year 6 children were invited to take part in a survey organised by the Wardens of Old Redding Nature Reserve (woodlands opposite the school). The warden told us about the work they are completing to improve biodiversity for plants and animals alike. The children learned why it is important to have a diverse environment. They walked all the way to Gilberts Lake and took part in a tree survey. They were challenged to identify what trees were in the area and to decide if there was diversity in the trees or too many of each tree species. They used tree identifying tools to help them. The children had a great time, here's what some of them said...

'It was a thrilling experience and we learnt that there was not a lot of biodiversity. This is because there were many trees of the same ages but they are trying to fix it by making glades so that grass and other plants can grow.'

'During nature walk along Old Redding Forest, I learnt about new types of woods, leaves and plants. As we walked deep into the woods I felt fascinated and all my unanswered questions were answered by the time we reached the other end of the forest. What a morning well spent in the woods!'

Points awarded – 2 points

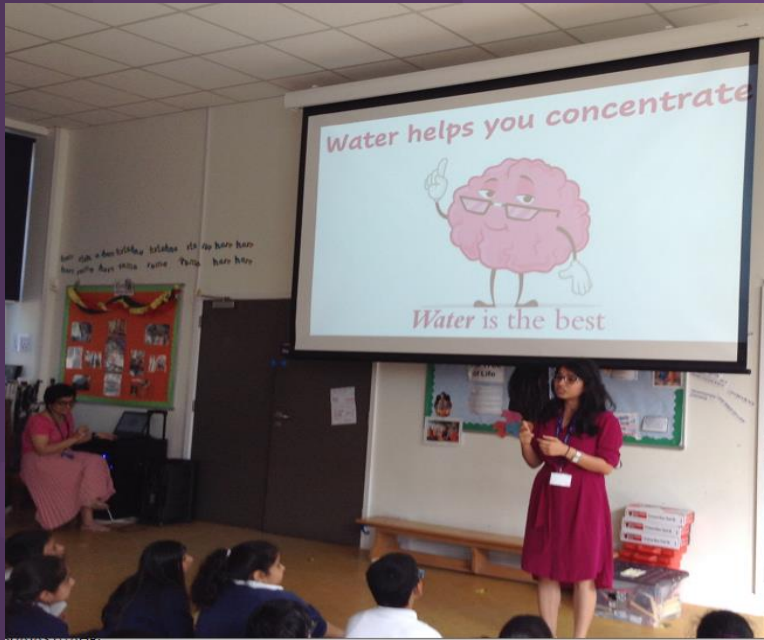

Green Trees Award

In our Early Years, the children have been visiting our woodland area throughout the year. They have been learning about the local area and looking at the nature around them. We have been learning maths – using natural objects collected to make patterns, making habitats as part of our 'animals' topic, senses (what we can hear and see when in the woodland area) as part of ourselves and have been making beautiful pictures using collected twigs and flowers that have been used on our shrine.

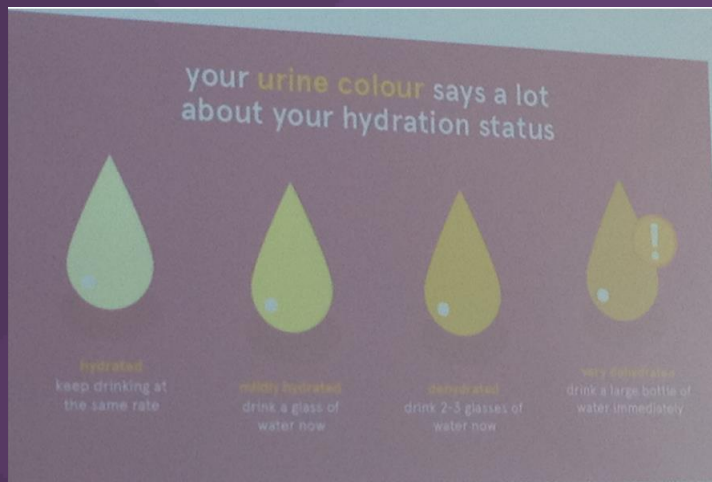

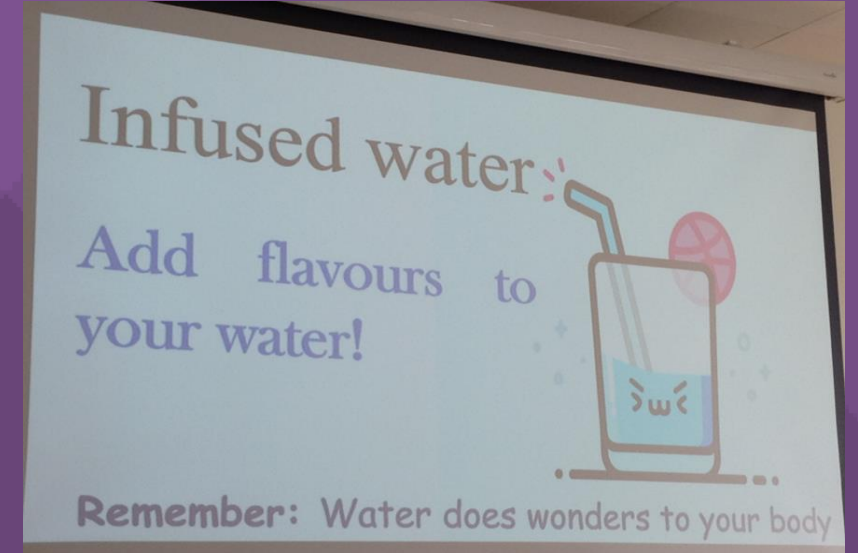

We love the outdoors!

Health Living Week

As a part of health week, Year 5 attended a workshop on the importance of water.

Guitar and Clarinet Concert

On Wednesday 29th June, our talented year 4, 5 and 6 guitar and clarinet pupils performed for their peers and parents in a lovely concert. They were excited to share their learning and progress under the direction of our HMS guitar teacher Mr Gunter, and clarinet teacher Mr Shelley. Well done, performers!

Music Concerts

On Tuesday 5th July, KS1 and KS2 classes were excited to share their music learning from weekly lessons in three spectacular end of year concert for parents. Many thanks to our HMS music teacher Miss K for working so hard to prepare classes with exciting performance items!

Football Fest Continues

Year 6 Girls Football Team

Our Year 6 girls played their very first competitive friendly against Avanti House Secondary Year 7 Girls. Although they lost 9-6, the girls played a great team game with lots of passing and encouragement. Sayona, Shriya and Aashi hit the net. A very well done, we are so proud of you!

Year 6 Boys Football Team

The boys played their final friendly of the year against The Gurukula Primary School (Hertfordshire). It was a competitive game with our boys starting off strong eventually moving to a defence strategy by the end of the match. Nonetheless, they tried hard and won 5-2 with Rishab, Krish P, Darshan and Rohan scoring for AHPS. Super result to end the year – well done!

Mr Koorichh

Go Badgers!

From June 6th – 8th, Year 6 children ventured on their residential quest to the depths of Somerset. As part of their daily activities, in groups of 12, children were challenged to waste the least amount of food and clean up after themselves.

I am both honoured and proud to say that the 'Badgers' (Jenna, Darshan, Shivani N, Jayen, Dishu, Veer, Kia, Shayon, Heeya, Krish H, Hemi, Aaryan H) were bursting with good character and displayed all the Avanti Virtues that we promote at our school. They wasted the least food and tidied up together exhibiting collegiality and excellent communication skills. They even invited Mayra to the celebrations as she could not attend the residential! We missed Aryan H - don't worry, your ice cream is waiting for you!

The Activity Centre staff were proud of all the children at our school for showing respect and kindness at all times – a super well done!

FOAH SUMMER FAIR

WOW! We had a turnout of just over **700** fairgoers on Sunday and what a magnificent day it was. We are simply amazed with the sheer love and support from the FOAH family and we hope you all had a fabulous time! We're finalising the details and will share another update in the new academic year but regardless of funds raised or the heat, the smiles and excitement on the kids' faces definitely makes the long nights worth it.

A very special thanks to **Mrs Joshi** for supporting us at a very early stage in our tenure and for making this possible!

We would really appreciate your feedback so please click on the link below to access the survey.

[Summer Fair Survey](#)

The FOAH team would like to take this opportunity to wish you all a safe and peaceful summer vacation!

CLASS OF '22

The FOAH team would like to congratulate all the Year 6 students on their graduation! You've reached a wonderful milestone and we would like to wish you the best in all you do. We are privileged to have been a part of your journey and remember, this isn't goodbye! You're a part of the FOAH family.

Click
me!

We hope you
enjoyed the
treats!

Events

While school may be out for summer, we definitely are not. We'll be busy preparing for the upcoming events so please look out for further updates on our website and make a note of the following events:

September - Navratri
October - Kirtan
November – Diwali Dinner & Dance
December – Christmas Market

Dates will be confirmed as they are finalized and please note, these events are subject to availability.

Enrichment Projects

We have plenty of projects to deliver but our main focus is **the canopy** so that we can provide shelter for our children when they're being dropped off and picked up. We wouldn't want to stand in the pelting rain or scorching sun, so let's help our little ones!

Ideally, we'd like to complete this before winter sets in, but we really need your help to raise the funds.

Get Involved!

If we can, during the summer we're going to try and start clearing up the shrubs to make way for the forest school at the front. If you like DIY and want to roll up your sleeves and get a little messy, get in touch with us or miss out on the fun!

We're always looking for volunteers so if you're interested, please email: info@foah.avanti.org.uk

Harrow Children's Centres

Educational and Child Psychologist

'drop-in'

Look out for Thursday sessions on the Children's Centres timetable

Come and have an informal consultation with one of us from the Educational Psychology Service. We can discuss how your child is developing, particularly during this Covid recovery period, and provide advice to help with your child's overall development.

We can give you guidance about:

- Play activities to promote social and emotional, language and communication, physical and early learning development.
 - Maintaining mental and emotional well-being.
- Understanding and supporting special educational needs.
 - Parental boundary setting.
 - Wake-up, bedtime and bathroom routines.
- Toileting and promoting independence and much more

We are looking forward to seeing you!
