

Science Curriculum Overview 2024-2025

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS Understanding Of the World	Identify similarities and differences between themselves and others <ul style="list-style-type: none"> • Talks about themselves and people special to them • Identify similarities and differences between themselves and others • Talk about events in our personal lives. 		Investigate and research different environments and living things. Identify similarities and differences in environments and places Make observations of animals and how they change. Developing respect for the natural world and learning how to take care of the world Explore different types of technology		Make observations of changes in plants/ living things and materials Investigate materials that float and sink	
Year 1	Animals including humans Seasonal changes	Animals including humans Seasonal changes	Everyday materials Seasonal changes	Everyday materials Seasonal changes	Plants Seasonal changes	Plants Seasonal changes Recap of years learning
Year 2	Living Things and their Habitats/Materials	Living Things and their Habitats	Animals including humans	Use of Everyday Materials	Plants	Plants Recap of years learning
Year 3	Plants	Forces and Magnets	Light and Shadows	Rocks	Animals including humans and nutrition	Recap of years learning
Year 4	Living Things and their Habitats	States of Matter	Animals including Humans	Sound	Electricity	Recap of years learning
Year 5	Properties and Changes of Materials	Properties and Changes of Materials	Forces	Earth and Space	Living Things and their Habitats	Animals including humans – Reproduction recap of years learning

Science Curriculum Overview 2024-2025

Year 6	Evolution	Light	Animals including Humans	Electricity	Living Things and their Habitats	Consolidation of WS skills and recap years learning
