

12th December 2018

Dear Parents / Carers,

To improve the efficiency of our reporting system to parents, Avanti House Secondary School has moved to using an online platform called GO 4 Schools www.go4schools.com. Using GO 4 Schools, you will be able to view your child's progress online and access the following information at any time:

- Timetable – Your child's daily and weekly timetable
- Attendance – Shown from the start of the academic year
- Behaviour information – A summary of positive and negative events
- Progress Reports – Reports which are published three times a year

The use of Go 4 Schools has slightly delayed the sending out of PR1 reports, however now that the system is implemented reports and information about your child's progress will be available at any time. Your child's page is constantly updated, providing you with the latest information. The PR1 reports will form a baseline for the year ahead. The information you receive in PR2 and PR3 reports will build upon this baseline, with more detail reported at each stage throughout the year.

As of today, Wednesday 12 December, PR1 reports for students will be available to parents via Go 4 Schools. All parents will need to log into GO 4 Schools to access and view their child's progress report; we will no longer be sending reports out via email. If you have any concerns or comments about the reports, please initially contact your child's subject teacher.

To access the site, please go to www.go4schools.com and click on the Parents icon at the top of the main page to arrive at the login screen. The email address you use to enter the site must be the one we have registered in our database for you. If you have updated your details and not yet informed the school, please write a letter with the change for your child to hand into our reception.

Please see log in and first-time user set up instructions on the following pages. If you have any questions about the use of GO 4 Schools, please contact me on the details below.

Yours sincerely,

Miss V. Bardsley
Assistant Principal

GO 4 Schools Parent App

If your child's school uses GO 4 Schools, they can add the GO 4 Schools mobile app to make it even easier for you to see your child's timetable, homework, behaviour records, attendance, etc. What you will see depends on which GO 4 Schools modules your child's school has subscribed to.

The GO 4 Schools Parent App is free for parents to download from the Apple and Android App stores, but you will not be able to log in unless your child's school has a current GO 4 Schools subscription that includes the App, and they have granted you access.

The App uses the same login details (email address and password) as this web site.

If you can't log in to this site, you will not be able to log in to the App. If you think you should be able to log in to this website but can't, please contact your child's school.

Progress Reports

This shows grades for your child as they were captured by reports and compares them against current grades. At the bottom of each report column you can access a report by clicking the 'View report' link. You can then also download and print copies of the reports which will be available for the whole of the year.
