Dear Parent/Carer,

RE: Travel to school

It has been nearly a year since we moved into our permanent site on Wemborough Road. In that time our parents have been very supportive in helping to reduce the impact of the children travelling to and from school on the local residents.

Unfortunately, we have recently observed a growing number of parents dropping their children off in locations that are either unsafe or causing unnecessary congestion.

The following situations are of concern:

- (a) The number of parents using the entrance to Bush Grove to drop off in the mornings causing increased congestion.
- (b) Parents dropping their children on Bromefield and making a right turn back onto Wemborough Road causing increased congestion around the junction of Marsh Lane and Honeypot Lane.
- (c) Parents allowing children to get out of vehicles very close to the traffic lights where there is a metal railing to protect pedestrians. This means the children have to walk along the road to access the pavement and this is unsafe.

If you are dropping off, or picking up, your children by car we urge you to find a suitable location a little further from the school. This will help with the level of congestion in the immediate vicinity of the school and also encourage active travel from our pupils. I am currently working with Harrow Council to produce a Travel Zone Map which will help parents identify suitable locations and will give information about walking and cycling times. I will share this with parents as soon as it has been produced.

Thank you for your continued support in this matter.

Yours sincerely

Mr M Dominé
Assistant Principal
