Introductory Statement

Avanti House Secondary School (“the School”) is part of the Avanti Schools Trust and is an inclusive Hindu faith-designated school which welcomes children of all faiths and none. More information about the School can be found by visiting the website at www.avanti.org.uk/avantihousesecondary.

The Trust Board of Avanti Schools Trust (“the Trust”) is the “admission authority” for all schools within the trust and is responsible for determining and implementing the admission arrangements for those schools.

Published Admission Number (“PAN”)

Year 7

The PAN for entry to Year 7 is 180.

Where fewer applications than the PAN, or an amount equal to the PAN, for the relevant year group are received, offers will be made to all those who have applied.

Year 12 (Sixth Form)

The PAN for external candidates meeting the minimum academic entry criteria for entry into Year 12 (sixth form) is 40.

All students, including those currently enrolled in Year 11, must submit an application to apply for a place in the sixth form. Progression from Year 11 to Year 12 is not automatic and requires meeting the minimum academic entry criteria.

Where a lower number of Year 11 students transfer to Year 12 than anticipated, it may be possible to admit external candidates to Year 12 over the PAN.

The minimum academic entry criteria for admission/transfer to Year 12 is set out further below.

Applications for Admission in the Normal Admission Round

Year 7

Applications for admission to Year 7 must be made to the parents’ home Local Authority on their Common Application Form, which is accessible on their website. The Common Application Form for the London Borough of Harrow can be found here - [Apply for a secondary school place – London Borough of Harrow](#)

Applications must be submitted by the closing date, which is **31st October 2025**.

Parents will be notified of the outcome of applications on “National Offer Day” which is on **1st March 2026** (or the next working day).

Following the offer of a place at the School, parents can be asked to provide proof of their child’s birth date.

Year 12 (Sixth Form)

Applications for the admission of external candidates to Year 12 must be made to the School (not the Local Authority) on the Sixth Form Application Form, which is accessible via the School’s website ([Sixth Form Open Evening – Avanti House Secondary School](#)) and in hard copy from the School’s office.

Applications must be submitted by the closing date, which is **15th February 2026**.

Candidates may be invited to a meeting to discuss options and academic entry requirements.

Parents will be notified of the outcome of applications on or before **1st April 2026**.

Following the offer of a place at the School, parents can be asked to provide proof of their child’s date of birth.

Children with an Education, Health and Care Plan (“EHC plan”)

Children with an EHC plan which names **Avanti House Secondary School** will be admitted to the School even where this may result in the PAN for that year group being exceeded. Where they will be admitted in the normal admission round (i.e. to Year 7 and Year 12), the number of places available within the PAN will be reduced.

Children of UK Service Personnel and Crown Servants

Children from families of UK service personnel with a confirmed posting, or crown servants returning from overseas will be allocated a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date.

Oversubscription Criteria

Where the School or Sixth Form is oversubscribed, the available places will be allocated to children in the following order of priority:

1. Looked after children, previously looked after children and children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Children with a sibling attending Avanti House Secondary School or Avanti House Sixth Form at the time of application. Details of the sibling(s) must be included in the application form. Failure to do so will result in the child being placed into the next category that applies.
3. Children who attend Avanti House Primary School or Krishna Avanti Primary School (Harrow) at the time of application (Year 7 applications only).
4. Children of a member of the School's staff who:
 - a) Has been employed at the School for two or more years at the time of application; and/or
 - b) Was recruited to fill a vacant post for which there was a demonstrable skill shortage.

For the avoidance of doubt, "a" and "b" above do not denote an order of priority – all children falling within this category will be treated equally, applying the tie breaker where necessary.
5. Up to 15 places to Hindu children with a practising Hindu parent who worships at an ISKCON temple in the following order of priority:
 - 5.1. Hindu children with a practising Hindu parent who has taken initiation (diksha) and attends Sanga;
 - 5.2. Hindu children with a practising Hindu parent who attends Sanga.
6. Up to 15 Hindu children with a practising Hindu parent.
7. Other children by distance from the School, with priority given to children whose home address is closest to the School measured as described below.

Supplementary Information Form ("SIF")

For children falling within category 5 and 6, parents must submit a SIF certified by the practising Hindu parent's temple to the School by the closing date for applications (except for in-year applications for which there is no closing date) in addition to submitting the relevant application form. Failure to do so will result in the child being placed into the next category that applies.

The SIF is available for download from the School's website ([Admissions – Avanti House Secondary School](#)) or in hard copy from the School's office.

Further evidence may be requested where it is unclear whether a child meets any of the oversubscription criteria.

Order of Allocation

Where more than one child falls into one of the oversubscription categories, the order in which places will be allocated will be by reference to the distance that the child lives from the School, with those living closest to the School receiving highest priority. Home to School distance will be measured from the centre point of the child's home address to the centre point of the School's site in a straight line using the Local Authority's specialist software published online ([Find your nearest primary schools – Apply for a primary school place – London Borough of Harrow](#)). For out of borough postcodes, home to School distance will be calculated by the Local Authority using a computerised mapping system based on the Ordnance Survey data.

It should be noted that when measurements involve flats in the same block, the distance will be to the main entrance of the block. If the family do not have a permanent address and reside in atypical accommodation such as a van on the public highway or a boat without permanent mooring, the Local Authority will be consulted.

Tie Breaker

Where two or more children live an equal distance from the School, random allocation supervised by someone independent of the School will be used as a tie-breaker to determine the order in which places are allocated.

Minimum Academic Entry Criteria for Year 12 (Sixth Form)

The minimum academic criteria for admission to Year 12 (sixth form) are the same for current Year 11 students and external candidates. Only students who meet the minimum application criteria will be eligible to apply.

The minimum academic entry criteria are:

- Six GCSEs at Grade 6.
- The student must meet the individual requirements of each chosen subject which are published on the School's website ([Sixth Form Home – Avanti House Secondary School](#)) annually.

Admission of Children Outside their Normal Age Group and Delayed Entry

The procedure for making a request is:

1. Parents must complete a 'Request for admission outside of normal age group form' (see Appendix A1). A hard copy of this form is available from the School Office: Avanti House Secondary School, Wemborough Road, Stanmore, Middlesex, HA7 2EQ. In that form, parents must explain that they are requesting that their child be admitted

outside their normal age group, stating which year group they request and giving details of all relevant circumstances together with any relevant supporting documents.

2. The completed form and any supporting documents must be sent by post or email to the school Principal at avantihouse@avanti.org.uk or Avanti House Secondary School, Wemborough Road, Stanmore, Middlesex, HA7 2EQ and marked 'Request for admission outside of normal age group.'
3. The Trust or the Panel appointed by the Trust will consider the request and make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the parent's views, the view of the Principal of the school concerned, information about the child's academic, social and emotional development, the child's medical history and the view of their medical professionals (where relevant), whether the child has previously been educated outside their normal age group, and whether they would have naturally fallen into a lower age group if they had not been born prematurely.
4. The Trust or appointed Panel will notify parents of their decision, including reasons, in writing, normally within 15 days of the date of receipt by the school of the request.
5. Where the request is agreed in principle in advance of an application being made, the decision letter **must** be included in the application.
6. Where a request is being made for twins, triplets or children of multiple higher births, a separate request must be made for each child.
7. There is no statutory right of appeal against refusal of a request for admission outside of normal age group. However, if parents are dissatisfied with the decision, they may submit a complaint under the Trust's Complaints and Concerns Policy.

It is important for parents to note that obtaining agreement in principle to a request for admission outside the normal age group does not mean that the child will achieve a place in that year group. The usual application for admission must be submitted to the Local Authority by the closing date (outlined above). When making the application to the Local Authority, parents are also required to submit the decision letter from the School agreeing to educate their child outside the normal age group alongside the application for admission. Applications will be considered with all other applications for that year group and the oversubscription criteria will be applied where necessary. This means that parents who obtain agreement in principle for their child to be educated outside the normal age group may not achieve a place at the School.

Late Applications

Applications received after the closing date for applications stated above will be late applications and will not be considered until after applications received on or before the closing date have been considered and places allocated. This means that the chance of achieving a place will be reduced. The names of those children who do not achieve a place will be placed on the waiting list (see below).

Waiting Lists

On behalf of the Trust, the School administers a waiting list for each year group for the duration of the school year. The names of all children who do not achieve a place will be placed on the waiting list automatically. Parents can ask the School to remove their child's name from the waiting list at any time by writing to the School.

Waiting lists are held until the end of July every year after which time children's names will be removed. If parents want their child to remain on the list they will be required to make another application in accordance with this policy.

A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria, and not by reference to the date that the application for admission was made. This means that a child's place on the waiting list may go down as well as up, as more applications are received from children with higher priority.

In-Year Admissions

Applications for in-year admissions to years 7-11 should be made to the Local Authority using the online form found here - [Apply for an in-year school place – London Borough of Harrow](#).

Applications for in-year admission to the sixth form should be made online using the Applicaa web -form found here - [Avanti House Secondary School \(applicaa.com\)](#). In-year applications will only be accepted up to 10 October 2026.

If more applications are received than there are places available, applications will be ranked in accordance with the over-subscription criteria, with the exception of criterion 3 which will not apply to in-year admissions. Applicants will be notified of the outcome by the local authority.

If all of the 15 places referred to in criteria 5 and 6 have already been allocated to a particular year group and subsequent in-year admissions are made, this criterion will only be considered if a student who was admitted under that criterion leaves the School. All applicants who apply for a place under criteria 5 and 6 are also considered under criterion 7.

If admission is not granted, parents will have the opportunity to appeal the decision. Please see below for further information.

Fair Access Protocol

The School is committed to participating in the locally agreed Fair Access Protocol. Accordingly, outside the normal admissions round, children may be admitted to the School under the Fair Access Protocol, even where the School is full.

Statutory Right of Appeal

Parents have a statutory right of appeal if their admission application is rejected either in the normal admission round or in-year. Appeals are dealt with strictly in accordance with the School Admission Appeals Code.

Appeals against a refusal of a place either in the normal admission round or in-year for years 7-11 should be made using the local authority's appeal form found [here](#) on its website ([Appeal a school place – London Borough of Harrow](#)) and submitted to the email address stated on the form.

Information on the appeal timetable (including the deadline for requesting an appeal) will be published on the School's website ([Admissions – Avanti House Secondary School](#)) on or before 28 February after the closing date for applications for that year. Information will also be included in the letter sent to parents notifying them of a refusal.

Appeals against a refusal of a place to sixth form in the normal admission round or in-year can be made by the student or parent writing to the sixth form explaining that they are submitting an appeal, giving details of all relevant circumstances and attaching any relevant supporting evidence. The letter should be addressed to the Principal. The deadline for appeals is 10 October 2026.

False and/or Intentionally Misleading information

Parents should note that an offer of a place is likely to be withdrawn if it is found that it was made on the basis of fraudulent or intentionally misleading information provided by parents.

The offer of a place may be withdrawn if it has been offered in error, a parent has not responded within a reasonable period of time, or it is established that the offer was obtained through a fraudulent or intentionally misleading application.

In order to ascertain whether an offer has been made on the basis of a fraudulent or intentionally misleading application, the School reserves the right to ask for additional information to check the veracity of the information provided in the application.
