Message from our Head of School, Mrs Penney

Dear Avanti Meadows Families,

I am sure the children are all very much looking forward to a rest at half term; they really deserve it after all their efforts. I have started making a display in my office of examples of excellent learning - it is amazing to see everything that goes on in classrooms each week and I have so much work to choose from! Please do celebrate with your children all their little achievements when you have time to discuss it during the holidays.

You will be aware that Ms Bennett is still unwell and will hopefully be back with us soon. Every cloud has a silver lining, as they say, and Ms Bennett's absence has meant that I have been helping out in Hazel Class for a few mornings each week. What a delight the children have been! In particular, we have been working hard on our phonics and reading. The children in this class are so helpful and kind, not only working hard, but also supporting one another with different tasks. I have really enjoyed my time in Hazel Class.

Lastly, thank you for making my first half term at Avanti Meadows a really happy time – the staff, children and families have been so warm and welcoming. It truly is a great place to work.

Have a relaxing half term break. I hope the sun shines for us all!

Jennifer Penney

Weekly updates

School Uniform

For the last half term before the summer break, please help us by making an effort with correct school uniform. We are increasingly noticing that children are coming in wearing non uniform items, jewellery, colourful trainers, nail varnish etc.

If you need to replenish uniform, please do make sure you buy from our suppliers with the Avanti logo for specific items.

Devices

As half term is coming up, and some children may be using devices more during this period, please remember to check your children's devices including photos/videos, messages and search history frequently. We advise parents to do this, so that you can be really sure that they are using devices safely. There are methods of controlling how much time your child has access to a device and also the websites that you allow access to, using something called Google family link. Read here for more details: [Family Link](#)

Please talk to a member of the safeguarding team in school if you have any concerns about internet safety or use of phones.

When a meal has not been pre-booked your child/children will be offered a jacket potato only. Please see guidance for booking meals [ParentPay How to book a meal](#).*

Parent donations - old school uniform

Please can we kindly request donations of school uniform items, PE Kit and socks. We wish to keep a stock of clothing in school. Please can you hand any donations into the school office. We also kindly ask that if your child is sent home in a change of clothes from our spares that these items are washed and returned to the school office.

Communication with school and Email

There are always times when you as parents are keen to contact the school for many different reasons. Email is the quickest way to share information - there are four members of staff who cover the office inbox, including me. Please do not email staff directly as they are in class all day, and it will delay a response to you. Please use avantimeadows@avanti.org.uk

We do receive a large number of emails every day, so if the message is not deemed as urgent e.g. safeguarding, then it can take up to 48 hours to respond.

You can call the office, of course, on 01279 598575, and Mrs Anna Restivo will be happy to help.

School Office

We are always happy to deal with any queries at reception but can we kindly request that any non urgent queries are made after 10.30am please. The office is extremely busy between 8.00 and 10.30am as we complete important daily safeguarding processes, attendance registers and lunch orders. We appreciate your consideration. Please be reminded that the school office will open at 8.20am each Monday.

School Website

We are working to update the Meadows website so that it can be a source of information for you as parents as well as other people in the community and prospective parents. We have added a calendar page, updated the Pre-School information and we will be overhauling the curriculum information as well as many other pages. If you have any suggestions that you feel would be useful, please do email them to me through the school office.
