Such approval was given on:	January 2024

## **Introductory Statement**

**Avanti Meadows Primary School** (“the School”) is part of the Avanti Schools Trust, more information about the school can be found by visiting the website at [www.avanti.org.uk/avantimeadows](http://www.avanti.org.uk/avantimeadows)

The Trust Board of Avanti Schools Trust (“the Trust”) is the “admission authority” for all schools within the trust, and is responsible for determining and implementing the admission arrangements for those schools.

## **Published Admission Number (“PAN”)**

The PAN for entry to Reception in 2025 is 60. Where fewer applications than the PAN, or an amount equal to the PAN, for the relevant year group are received, offers will be made to all those who have applied.

## **Applications for Admission in the Normal Admission Round (i.e. to Reception)**

Applications for admission in the normal admission round for 2025 should be made to the parents’ home Local Authority on their Common Application Form (“CAF”). Applications to Hertfordshire County Council should be made online at [Primary, junior and middle school places | Hertfordshire County Council](#) or parents can request an application form from the Customer Service Centre on 0300 123 4043.

Applications must be made by the closing date, which is 15th January 2025. Parents will be notified of the outcome of applications on “national offer day” which is on 16<sup>th</sup> April 2025 (or the next working day).

Following the offer of a place at the School, parents can be asked to provide proof of their child’s date of birth.

Applications received by the Local Authority after the closing date for applications will be late applications, and will not be considered until after applications received on or before the closing date have been considered and places allocated. This means that the chance of achieving a place will be reduced. The names of those children who do not achieve a place will be placed on the waiting list (see below).

## **Children with an Education, Health and Care Plan**

The School will offer a place to children with an Education, Health and Care Plan (“EHCP”) that names the School.

Where they will be admitted in the normal admission round (i.e. to Reception Year), the number of places available within the PAN will be reduced.

## **Children of UK Service Personnel and Crown Servants**

The children of UK service personnel (UK armed forces) with a confirmed posting to the area of the School, and the children of Crown servants returning from overseas to live in the area of the school, will be allocated a place in advance of the family arriving in the area as long as one is available and provided the application is accompanied by an official letter declaring the relocation date. This is an exception to the rule that the child must be living at the address at the time of application.

## **Oversubscription Criteria**

Where the School is oversubscribed, the available places will be allocated to children in the following order of priority:

1. Looked after children, previously looked after children and children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children with a sibling attending the School at the time of application. Details of the sibling(s) must be included in the application form. Failure to do so will result in the child being placed into the next category that applies.
3. Children living in the Bishop's Stortford North development (boundaries/map included).
4. Children of a member of the School's staff who has been employed at the School for two or more years at the time of application.
5. Other children by distance from the School, with priority given to children whose home address is closest to the School measured as described below.

## **Order of Allocation and Tie-Breaker**

The order in which places will be allocated in each of the categories above will be by reference to the distance the child lives from the School, with those living closest to the School receiving highest priority. Distance will be measured by Hertfordshire County Council's computerised mapping system which measures 'straight line' distances to two decimal places. The measurement is taken from the 'AddressBase Premium' address point of your child's house to the address point of the school. 'AddressBase Premium' data is a nationally recognised method of identifying the location of schools and individual residences.

If the family do not have a permanent address and reside in atypical accommodation such as a van on the public highway or boat without permanent mooring, the Local Authority will be consulted.

Should there be more than one applicant for a final place living an identical distance from the School, the county council, on behalf of the School, will use the random allocation facility

within the Synergy “Admissions and Transfers System” pupil data base which is used for allocations.

### **Admission of Children Below Compulsory School Age and Deferred Entry to Reception Year**

Children are entitled to a full-time place in school in the September following their fourth birthday. Children do not, however, reach compulsory school age until one of three prescribed days following their fifth birthday (or on their fifth birthday, if it falls on a prescribed day). These prescribed days are 31 December, 31 March and 31 August.

Parents whose child is offered a place in Reception Year have a right to decide that they will defer the date that their child will start school until later in the school year, without losing the achieved place. Admission cannot be deferred beyond the date that the child would reach compulsory school age and not beyond the beginning of the final term of the school year for which the offer was made.

### **Part-Time Attendance in Reception Year**

Parents have a right to decide that their child will attend School part-time until they reach compulsory school age.

For example, a child born on 15 February will not reach compulsory school age until 31 March following their fifth birthday but is entitled to a full-time place in Reception Year from the preceding September. The child’s parents can decide that their child will not start school until 1 January and will attend part-time until 31 March. From 1 April the child will attend full-time.

### **Admission of Children Outside their Normal Age Group and Delayed Entry**

In the normal admission round, parents have a right to ask for their child to be admitted outside their normal age group, either above or below. It is, however, for the Trust to determine whether to agree or refuse the application.

The procedure for asking for admission of a child to a year group other than the child’s normal year group is:

1. Parents send a letter to the School explaining that they are requesting that their child be admitted outside their normal age group, giving details of all relevant circumstances and attaching any relevant supporting evidence.
2. The Trust will consider the request and make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the parent’s views, the Principal’s view, information about the child’s academic, social and emotional development, the child’s medical history and the view of their medical professionals (where relevant), whether the child has previously been educated outside their normal age group, and whether they would have naturally fallen into a lower age group if they had not been born prematurely. The Trust may delegate this decision as it considers appropriate.

3. The Trust's decision will be communicated to the parents in writing by the School.
4. If the request is refused parents may submit a complaint under the Trust's Complaints Policy.

It is important for parents to note that obtaining agreement in principle to admission outside the normal age group does not mean that the child will achieve a place in that year group. The usual application for admission must be submitted to the Local Authority by the closing date (as outlined above) and the letter from the School agreeing to admit outside the normal age group must be submitted along with the application for admission. Applications will be considered with all other applications for that year group and the oversubscription criteria applied where necessary.

This means that parents who obtain agreement in principle to their child being admitted outside the normal age group may not achieve a place, and will then be in the position of having to apply to other schools for admission outside normal age group, or applying for admission to Year 1 which is subject to place availability.

### **In-Year Admissions**

Applications for in-year admissions should be made to the Local Authority using the online form found here - [In year admissions – change school during the year | Hertfordshire County Council](#). If more applications are received than there are places available, applications will be ranked in accordance with the oversubscription criteria as outlined above. Applicants will be notified of the outcomes by the School.

If admission is not granted, parents will have the opportunity to appeal the decision. Please see below for further information.

### **Fair Access Protocol**

The School is committed to participating in the locally agreed Fair Access Protocol. Accordingly, outside the normal admissions round, children may be admitted to the School under the Fair Access Protocol, even where the School is full.

### **Waiting Lists**

On behalf of the Trust, the School administers a waiting list for each year group for the duration of the school year. The names of all children who do not achieve a place in the normal admission round will be placed on the waiting list, and it will be open to other parents to ask for their child's name to be placed on the waiting list following an unsuccessful application (e.g. following an unsuccessful in-year application).

A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out above, and not by reference to the date that the application for admission was made. This means that a child's place on the waiting list may go down as well as up, as more applications are received from children with higher priority.

## **Statutory Right of Appeal**

Parents have a statutory right of appeal if their admission application is rejected either in the normal admission round or in-year. Appeals are dealt with strictly in accordance with the School Admission Appeals Code.

Appeals against rejection in the normal admission round should be made using the local authority's appeal form found on its website here - [Primary school appeals – starting at primary 2024 | Hertfordshire County Council](#).

Appeals against rejection in-year should be made using the local authority's appeal form found on its website here - [In year appeals | Hertfordshire County Council](#)

Information on the appeal timetable (including the deadline for requesting an appeal) will be published on the School's website ([Admissions – Avanti Meadows Primary School](#)) on or before 28 February after the closing date for applications for that year. Information will also be included in the letter sent to parents notifying them of a refusal.

## **False and/or Intentionally Misleading information**

Parents should note that an offer of a place is likely to be withdrawn if it is found that it was made on the basis of fraudulent or intentionally misleading information provided by parents.

The offer of a place may be withdrawn if it has been offered in error, a parent has not responded within a reasonable period of time, or it is established that the offer was obtained through a fraudulent or intentionally misleading application.

In order to ascertain whether an offer has been made on the basis of a fraudulent or intentionally misleading applications, the School reserves the right to ask for additional information to check the veracity of the information provided in the application.
